

one less victim

A stylized illustration of a city skyline at night. The buildings are represented by black rectangles with white square windows. The buildings are outlined with a thick, multi-colored border that glows with a rainbow-like effect. A bright yellow crescent moon is in the upper left corner. The background is a dark, starry night sky. The entire scene is set against a background of three vertical color bands: yellow on the left, orange in the middle, and yellow on the right.
