"One Teacher" Groupe des Dombes, 2010-04-15 In this book the Groupe des Dombes a widely respected yet unofficial dialogue of Reformed Lutheran and Catholic scholars from French speaking Europe undertakes a comprehensive study of the complex issue of doctrinal authority in the church This includes the role of Scripture of confessional texts of decision making bodies and of individual persons entrusted with authority in service to the unity of faith While a number of previous ecumenical dialogues have studied the question of authority with a particular focus on the ministry of the Bishop of Rome the Groupe des Dombes lays out the complex constellation of questions that is at issue in the differing ethos of Protestant and Catholic traditions Its challenge to the churches reflects the agenda of ecumenical dialogue for decades to come **The Faith Once for All Delivered: Doctrinal Authority in Catholic Theology** Fr. Kevin L. Flannery, S.J., 2023-03-07 In the third verse of his eponymous New Testament epistle Jude exhorts his readers to contend for the faith which was once for all delivered a charge that continues to resound to the present day This collection of essays responds to the apostle's call by providing both a diagnosis of the ills of modern progressivist Catholic doctrinal and moral theology and a prescription for the safeguarding of orthodoxy via a rightly understood return to the traditional sources of theology The essays in the first part of this collection seek to answer the question What went wrong with Catholic theology since the Second Vatican Council Following a brief account of the movement in modern theology from its philosophical basis in Kant and Hegel to the nouvelle th ologie and later progressivist theologies of the twentieth century the writings of Karl Rahner Walter Kasper and Bernhard H ring are treated as representative of principal problematic trends and the concept of heresy is surveyed as it has been understood in the past and as it operates in the Church today The essays in the second part indicate the way forward for Catholic doctrinal and moral theology examining and distinguishing the orthodox use of the fontes theologiae of magisterial teachings the deposit of faith in its development the sense of the faithful sensus fidelium Sacred Scripture and Church councils and synods In its twofold attentiveness to contemporary errors in Catholic theology and to tradition based correctives The Faith Once for All Delivered offers an urgent and compelling summons to the sacred mission of defending doctrinal and moral orthodoxy For the Communion of the Churches Groupe des Dombes, 2010-12-17 Founded by Abb Paul Couturier in 1937 the Groupe des Dombes is a Protestant Catholic coalition in French speaking Europe uniting Reformed Lutheran and Catholic scholars in a common spirit of prayer dialogue and discernment Its pioneering work of reconciliation has influenced many other official ecumenical dialogues This volume presents six statements produced by the Groupe des Dombes from 1971 to 1991 which appear here together in English translation for the first time These substantial documents express the Groupe's keen insights into the renewal of theology and church life that is necessary for progress toward full ecclesial unity and they invite churches to pursue fruitful dialogue mutual understanding harmony and the hopeful vision of a future in full communion In the journey of the churches toward the unity for which Christ prayed no other informal group of

**Calvin's Doctrine of Biblical Authority** Abd-el-Masih Istafanous,2010-09-06 Calvin's Doctrine of Biblical Authority offers a profound new approach to a long debated topic Istafanous draws upon Calvin's twofold structure regarding salvation to illumine the Reformer's twofold knowledge of God with particular focus on biblical authority In doing so Istafanous presents Calvin's view of biblical authority framed within modern discussions of inspiration In the 1539 edition of the Institutes and in all subsequent editions John Calvin presented justification and sanctification as the twofold grace of God He repeatedly taught this concept in all of his commentaries sermons and other writings More than any other reformer Calvin used the twofold grace to express the full relationship between justification and sanctification In the definitive edition of the Institutes 1559 Calvin introduced the concept of the twofold knowledge of God This framework has been considered by many as the ordering principle of the Institutes and all of Calvin's theology Istafanous argues that the twofold Grace inspired Calvin to introduce the concept of the twofold knowledge in 1559 Thus the twofold grace of God provides the key to

understanding the twofold knowledge specifically and Calvin's theology generally

**The Doctrine of Scripture** Brad East,2021-08-27 When Holy Scripture is read aloud in the liturgy the church confesses with joy and thanksgiving that it has heard the word of the Lord What does it mean to make that confession And why does it occasion praise The doctrine of Scripture is a theological investigation into those and related questions and this book is an exploration of that doctrine It argues backward from the church's liturgical practice presupposing the truth of the Christian confession namely that the canon does in fact mediate the living word of the risen Christ to and for his people What must be true of the sacred texts of Old and New Testament alike for such confession and the practices of worship in which they are embedded to be warranted By way of an answer the book examines six aspects of the doctrine of Scripture its source nature attributes ends

interpretation and authority The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries an understanding rooted in the church's sacred tradition in service to the gospel and redounding to the glory of the triune God
