One World Renaissance: Holistic Planetary Transformation Through a Global Social Contract Glen T. Martin, 2015-10-15

In this masterwork Dr Glen T Martin shows why our predicament requires the creation of a global social contract that can only be adopted through a profound philosophic shift to holism the same evolutionary holism that has swept all of the world's sciences He explains why this new holism if applied to global governance would require a world federation under enforceable global law Humanity can never flourish Martin argues unless we build a well governed world that leaves behind our fragmented system of self interested nation states and global corporations bent on profit In establishing his argument Dr Martin mines the thought of the world's leading philosophers and social theorists to create an unprecedented synthesis one that goes far beyond his previous books to reveal the way forward on the basis of a united planet with immense possibilities for a future global renaissance EDITORIAL REVIEWS Sweeps away the cloud of dust of selfishly motivated men in authority who divide the people and the nations creating factionalism in every form of human activity I congratulate Dr Glen Martin for his learned practical and inspired effort for world unity The Honorable A P Misra retired Justice of the Supreme Court of India This book is visionary and appears at a time when the speed of change and the perceived failings of current institutions call out for just such a vision Marc Pilisuk PhD Professor Emeritus Saybrook University author of The Hidden Structure of Violence Incredibly rich with insights wisdom and scholarship this remarkable book offers profound solutions to our global predicament Barbara Marx Hubbard futurist author of Conscious Evolution ABOUT THE AUTHOR Glen T Martin PhD is a professor of philosophy at Radford University in Virginia and chair of its Peace Studies program Dr Martin is president of International Philosophers for Peace and president of the World Constitution and Parliament Association the world's leading advocate for a constitution for a democratic federal world government As a result of his decades of peace activities Martin has received several international awards including the World Peace Award from the Office of the World Peace Envoy in Bangkok Thailand 2008 and the Gusi International Peace Prize in Manila Phillipines 2013 He has also been nominated for the Mahatma Gandhi Peace Award

Human Dignity and World Order Glen T. Martin, 2024-04-05 We must establish our world order on the principles of human dignity if we want a credible future for humanity This book shows how and why this is so It investigates the meaning of human dignity in relation to current scholarly work as well as in terms of the depths of our subjective lives from which the concept of dignity arises It contrasts the concept of dignity with our current world system engulfed in endless wars immense inequality systems of economic injustice and on going environmental destruction It shows the relationship between dignity human rights and global moral principles and lays out ten fundamental principles for a planetary ethics The book contrasts the holistic paradigm uncovered by 20th century science with the fragmented paradigm that persists at the heart of the present world system showing how and why a conversion to holism and dignity is both necessary and possible Human Dignity and World Order shows that we have not yet fully understood our human existential

situation as temporal beings oriented toward the future who possess the largely untapped power of a liberating utopian imagination Through examining our fundamental human condition it unveils our vast potential for self transcendence and transformation leading toward a redeemed and credible human future in which we flourish on the Earth within a planetary civilization of freedom justice peace and sustainable prosperity This book also presents the Constitution for the Federation of Earth as a paradigm or model for practical action toward a credible human future Altogether the book constitutes a watershed in human self understanding opening possibilities for the future hitherto ignored or misunderstood Every thoughtful person concerned for our common human future needs to read this book

*Strategies for Peace 2nd Edition* Maria Cristina Azcona,2019-10-08 The authors invited to join me at this chapter of Strategies for Peace are Bruce Cook Ernesto Kahan Ada Aharoni Susana Roberts Sara Zamir Glenn Martin Nina Meyerhof Takis Ioannides George Sklavounos Bishnu Pathak Subhash Chandra Elias Galati Marita Ragozza and Domen Kocevar We need to create a discussion and a continuous dialogue by inviting brilliant intellectuals from all points of the globe to interchange opinions read one to the other and let mutual influence be the media of our union as human beings We are here talking like friends interchanging ideas about developing a possible future for our kids and we find one to the other so near so similar in our thoughts so clear in our ideas that we cannot stop continuing our dialogue in this sense and through this tool called Strategies for Peace To create books written by persons that come from diverse cultures is the tool to find a way out of this Babel Tower that leads humanity to an enormous hollow of Death and Disappearance

*Struggles and Successes in the Pursuit of Sustainable Development* Tay Keong Tan,Milenko Gudic,Patricia Flynn,2020-06-03 The challenges associated with the struggles for attainment of the Sustainable Development Goals SDGs and objectives are as diverse and complex as the variety of human societies national conditions and natural ecosystems worldwide Despite decades of economic growth and technological advances our world is plagued by poverty hunger disease conflicts and inequality and many societies are under the strain of environmental changes and governance failure Such global scale challenges call for the SDGs to be translated beyond bold concepts and aspirational targets into concrete programs and feasible plans that are substantively valuable locally acceptable pragmatic and operationally implementable In the pursuit of the SDGs positive

results are far from guaranteed Success is uncertain Instead the path forward requires difficult learning experimentation and adaptation by multiple stakeholders Loss and sacrifice are foreseeable and often inevitable This important book captures the lessons from ongoing struggles and the early successes Productive failures and emerging practices are identified analyzed and promulgated for interdisciplinary learning by and for the inspiration of like minded individuals organizations communities and nations worldwide They can also inform and enrich the curricula in universities training institutions and schools to prepare future generations of citizens leaders and activists with the ethos and values of sustainability and social responsibility The book offers a platform for academics practitioners and concerned global citizens to identify pathways forward on the immense challenges of sustainability

**Global Democracy and Human Self-Transcendence** Glen T. Martin, 2019-01-15 This volume examines the dynamics of self transcendence for both individuals and humanity as a whole In doing so it illuminates the definitive relationship between self transcendence and global democracy Drawing upon a vast literature of philosophy psychology and religion ancient and modern East and West this book reveals the power of human futurity in actualizing our higher potential It represents a real breakthrough in understanding our emerging new era in the evolution of humanity It describes our transition from personal consciousness to global consciousness The book includes chapters on the fundamental ideas that animate our self understanding and define our common humanity Through careful scholarship it examines the dynamics of human dignity freedom love community intrinsic rights and global ethics It explores each of these concepts as a dimension of our human temporality as we envision and move into an ever transcending future a future that includes a World Parliament and planetary democracy In our time of apparent hopelessness and despair this volume reveals the grounds for a powerful hope that we can establish one world civilization of peace justice freedom and sustainability It makes a truly unique contribution not found elsewhere in today s literature revealing the astonishing dignity and potential of being human It is essential reading for all those concerned for the future of humanity and our precious planet Earth

*The Economics of Transformation* Stefan Brunnhuber, 2025-06-02 How can we transform our society What is the role of finance in this process The book will provide unconventional answers to these questions Currently finance is still driving sustainability but it should be the other way around Sustainability should drive finance Finance does not follow natural laws but resembles conventions and reflects one of the most powerful leveragers to transform our society This book provides multiple out of the box solutions for the financial and monetary sector to shift our society towards a more sustainable future Finance is the missing link in the overall transformational process we are experiencing right now globally Cases studies descriptive tables and graphs and a variety of additional material on how the monetary system works and how it should work support the idea of a new and upcoming General Theory on financing our planetary commons on money and a sustainable development for the 21st century and provides a compelling argument for the cheapest of all worlds This is the reader for scholars in the field for politicians who have to make decisions for bankers investors and regulators who work in

the financial sector and for everybody who has a bank account      **Peace and Conflict Studies** David P. Barash, Charles P.
