Mangaddicts: French Teenagers and Manga Reading Christine Détrez, Olivier Vanhée, 2023-05-25 Just pronounce the word manga and conflicted representations of media reception emerge either passive teenagers immersed in Japanese fictional worlds or hyperactive fans To understand what drives a variety of teenagers to read manga we conducted empirical research among French readers enrolled in secondary schools Manga is part of a whole constellation of interests including music and digital technology It is also the object of analytical ethical or concrete appropriations Reading then becomes a way to deal with past experiences and to connect with others to learn how to express emotions and to assert or contest age and gender norms

Manga Evolution Clive Whitmore, AI, 2025-03-10 Manga Evolution explores the captivating journey of Japanese comics known as manga from their historical roots to their current status as a global cultural phenomenon Delving into art history the book reveals how early Japanese art forms such as emakimono scrolls and ukiyo e prints laid the foundation for manga's unique visual storytelling techniques It also highlights the pivotal role of Osamu Tezuka often called the god of manga in shaping the conventions that define the medium today The book examines how manga evolved alongside Japan's socio-political changes particularly after World War II leading to diverse genres like shonen and shojo It further analyzes the globalization of manga exploring its spread beyond Japan and its adaptation in different cultural contexts through translation and digital platforms By tracing this evolution Manga Evolution offers invaluable insights into global media cultural exchange and the enduring influence of this dynamic art form on animation video games and various aspects of popular culture

Applying Systemic Functional Linguistics Jonathan J. Webster, Xuanwei Peng, 2017-01-26 Applying Systemic Functional Linguistics The State of the Art in China Today showcases new work from leading scholars in China as well as offering perspectives on this work from M A K Halliday and Jim Martin The range of topics covers graphology phonology lexis group and clause clause complex text typology semiotics multimodality stylistics translation and teaching Not only will this book introduce the latest research into language and multimodal discourse being undertaken by scholars in China today but also suggest the way forward in terms of where linguistics should be going if the aim is still to create the innovative producers of social semiotic theory description and practice the world rightfully expects from the intellectual superpower China is economically positioned to become Jim Martin This book is essential reading for scholars involved with systemic functional linguistics and interested in its shifting dynamics
