One World One Day Barbara Kerley Photo Inspirations:

One World, One Day Barbara Kerley, 2009-05-12 *One World One Day* uses exquisite moving photographs and Barbara Kerley's poetic text to convey a simple yet profound concept: we are one global family. This is a sophisticated concept book presented as an elegant picture book with contributions from top international photographers. This beautiful photo book follows the course of one day in our world. Sunrise to sunset is captured in the essential things we all do daily wherever we live in the world and in the different ways we do them. The first meal of the day will take on a whole new dimension for American kids as an American pancake breakfast is contrasted with porridge in North Korea and churros in Spain. At the end, each image is reprinted as a thumbnail and accompanied by a detailed caption. Selected images feature photographers' notes that share the thoughts and methodology involved in the making of the picture and reveal fascinating details behind the scenes. The photographers reflect on how the pictures might resonate within the theme of the global family. Such reflections are rooted in the life experiences of these well-traveled professionals. Their global viewpoints in tandem with Barbara Kerley's powerful message set an ideal example for all future world citizens. **The World is Waiting for You** Barbara Kerley, 2013 Simple text and colorful photography encourages children to explore the world beyond the surface.

Brave Like Me Barbara Kerley, 2016-04-12 When someone is serving our country far from home, everyone in their family has to be brave. Including and sometimes especially the kids. This book speaks to all kids in this situation in telling the story of a boy and a girl with parents away on duty. It captures the children's worries, fears, trials, and triumphs while waiting for their parents to return from service. Although the narrative tells one universal tale, the photographs depict multiple perspectives so that every reader has someone they can relate to. In the end, each child finds the strength and patience to endure the wait, showing admirable bravery and inspiring us all. An afterword looks further at the meaning of bravery and offers resources for helping kids deal with transition, deployment, and separation. *Bridges to Understanding* Linda M. Pavonetti, 2011-08-18

This annotated bibliography with descriptions of nearly 700 books representing more than 70 countries provides stories that will help children understand our differences while simultaneously demonstrating our common humanity. **Growing Up Global** Homa Sabet Tavangar, 2009-08-25 In today's increasingly interconnected world, how do we prepare our children to succeed and to become happy, informed global citizens? A mother of three, Homa Sabet Tavangar has spent her career helping governments develop globally oriented programs and advising businesses on how to thrive abroad. In *Growing Up Global*, Tavangar shares with all of us her parenting toolbox to help give our children a vital global perspective. Whether you're mastering a greeting in ten different languages, throwing an internationally themed birthday party, or celebrating a newfound holiday, *Growing Up Global* provides parents and children with a rich, exciting background for exploring and connecting with far-flung nations they may have only heard about on television. Inside, you'll discover fun activities, games, and suggestions for movies, music, books, magazines, service activities, and websites for expanding your family's worldview, simple explanations that

will help your children grasp the diversity of world faiths creative ways to gain geography literacy handy lists of celebrations and customs that offer a fascinating look at how people from different cultures around the world live everyday life Growing Up Global is a book that parents grandparents and teachers can turn to again and again for inspiration and motivation as they strive to open the minds of children everywhere
