Rhythms of Reformation Garth Ball, 2025-07-29 Rhythms of Reformation explores how the COVID 19 pandemic exposed the cracks in a Sunday centric consumer driven church culture and awakened a call to return to Christ's original heartbeat of discipleship. It argues that the pandemic was not a disaster to lament or an interruption to endure but a catalyst for a profound reformation of the church. Blending personal story with theological reflection, this book follows the author's leadership journey through the pandemic, engaging a broad range of literature to offer insight for navigating Spirit-led seasons of change. These seasons, however, need not be limited to times of crisis; they can become intentional patterns that leaders cultivate, shaping churches continually around the biblical priority of disciple making. This book is especially helpful for current and emerging church leaders who sense the winds of change but lack a clear blueprint for navigating them.

Minding the Web Stanley Hauerwas, 2018-11-06 For over forty years Stanley Hauerwas has been writing theology that matters. In this new collection of essays, lectures, and sermons, Hauerwas continues his life's work of exploring the theological web, discovering and recovering the connections necessary for the church to bear faithful witness to Christ in our complex and changing times. Hauerwas enters into conversation with a diverse array of interlocutors as he brings new insights to bear on matters theological. Hauerwas delves into university matters, demonstrates how lives matter, and continues in his passionate commitment to the matter of preaching. Essays by Robert Dean illumine the connections that have made Hauerwas's theological web so significant and demonstrate why Hauerwas's sermons have a crucial role to play in the recovery of a gospel-shaped homiletical imagination.

A Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor. I preach. Doesn't that make me a pastoral preacher? Not necessarily. Many preach missional rather than pastoral sermons designed to appeal to the unchurched, not the church. The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see. Evangelical leaders produce many resources on attractional preaching, but who is developing a vision for pastoral preaching? David Christensen draws on years of experience to develop a philosophy of pastoral preaching. He writes, "Social media changes the way we preach. More and more pastors are preaching clickbait sermons. These are sermons designed to get clicks or attract interest rather than teach truth. We want catchy titles and clever analogies that will grab people's attention because the digital world is built on attention; whatever will get likes or drive outrage. However, pastoral preaching builds community. It is rooted in local soil, to the people we know in the place we live. We need a philosophy of preaching that shepherds a community of disciples who worship together in one place."

The Christian Leader Bill Hull, 2016-05-31 What if everything you've heard about leadership is wrong? Secular models of leadership, rooted in pragmatic success, dominate Christian leadership in the West. It makes our work impersonal and exploitive. And at worst, it serves the leader rather than those the leader leads. We need a different style of leadership, one patterned after Jesus. We need to learn to influence others

Why Salvation? Prof. Joel B. Green,2014-02-18 Salvation is the bedrock of our faith and the touchstone for faithful living It is the good news of God drawing near to us as individuals but also as communities of faith This book helps us understand that when we say Jesus saves we stand on scripture that proclaims a God who through Jesus heals liberates and rescues Like each generation that has gone before we too must find our own awareness and then respond and participate in God s work as transformed people serving together as the Body of Christ who have also signed up for ongoing personal and social transformation This book is an invitation to a journey of salvation oriented toward increased understanding but also to transformed commitments renewed allegiances and fresh practices To address the grand narrative of Scripture in a way that takes seriously its essential focus on the journey of salvation is to open ourselves to fresh and perhaps refreshed perspectives on the world and thus on life in the world In this book Joel Green show how salvation can illumine new categories for conceiving the world for making sense of our experiences and for directing our lives *Anatomy of a Schism* Eileen Campbell-Reed,2016-05-13 Eileen Campbell Reed has taken a fascinating denominational schism and rendered it in a new and plausible way She has accomplished something most of us who have worked on Southern Baptists are ill equipped to do and therefore makes a unique and important contribution to the study of Southern Baptists in particular and religion in America more broadly This is a well argued work of scholarship based on solid evidence Barry Hankins author of *Baptists in America A History From 1979 to 2000* the Southern Baptist Convention SBC was mired in conflict with the biblicist and

autonomist parties fighting openly for control This highly polarizing struggle ended in a schism that created major changes within the SBC and also resulted in the formation of several new Baptist groups Discussions of the schism academic and otherwise generally ignore the church's clergywomen for the roles they played and the contributions they made to the fracturing of the largest Protestant group in the United States Ordained women are typically treated as a contentious issue between the parties Only recently are scholars beginning to take seriously these women's contributions and interpretations as active participants in the struggle *Anatomy of a Schism* is the first book on the Southern Baptist split to place ordained women's narratives at the center of interpretation Author Eileen Campbell Reed brings her unique perspective as a pastoral theologian in conducting qualitative interviews with five Baptist clergywomen and allowing their narratives to focus attention on both psychological and theological issues of the split The stories she uncovers offer a compelling new structure for understanding the path of Southern Baptists at the close of the twentieth century The narratives of Anna Martha Joanna Rebecca and Chloe reframe the story of Southern Baptists and reinterpret the rupture and realignment in broad and significant ways Together they offer an understanding of the schism from three interdisciplinary perspectives gendered psychological and theological not previously available together In conversation with other historical events and documents the women's narratives collaborate to provide specific perspectives with universal implications for understanding changes in Baptist life over the last four decades The schism's outcomes held profound consequences for Baptist individuals and communities *Anatomy of Schism* is an illuminating ethnographic and qualitative study sure to be indispensable to scholars of theology history and women's studies alike EILEEN R CAMPBELL REED is associate professor of practical theology at Central Baptist Theological Seminary in Nashville Tennessee and codirector of the Learning Pastoral Imagination Project a longitudinal study of ministry She is the author of *Being Baptist A Resource for Individual and Group Study* and numerous articles about women in ministry

The Comprehensive Unabridged Henry's Commentary on the New Testament ...
Matthew Henry, 1870 The Leader, 1855 *Performance Studies and Negative Epistemology* Claire Maria Chambers, 2017-10-12 This book explores the intersection between apophaticism negative theology and performance While apophaticism in literature and critical theory may have had its heyday in the heady debates about negative theology and deconstruction in the 1990s negative ways of knowing and speaking have continued to structure conversations in theatre and performance studies around issues of embodiment the non and post human objects archives the ethics of otherness in intercultural research and the unreadable and inaccessible in the work of minority artists A great part of the history of apophaticism lies in mystic literature With the rise of the New Age movement which claimed historical mysticism as part of its genealogy apophaticism has often been sidelined as spirituality rather than serious study This book argues that the apophatic continues to exert a strong influence on the discourse and culture of Western literature and especially performance and that by reassessing this ancient form of negative epistemology artists scholars students and teachers alike
