The major themes discussed are The Logos Prologue The Book of Signs The Book of Glory and The Epilogue. The many sub themes interspersed throughout the Gospel are The I am Sayings Faith and Believing Knowing and Unknowing Light and Darkness Seeing and Blindness Ascent and Descent Life and Death Abiding and Discipleship Bread and Water Love Two Extended Allegories Judgment and the World Son on Man Son God and Spirit Paraclete and Truth. **Letters on John's Gospel** Friedrich Rittelmeyer, 2022-11-18 These Letters aim to make John's Gospel accessible to people today as their own gospel both as a whole and in the details to illuminate it with the spiritual knowledge of the age and to make it fruitful for life not only for meditation but also for practical ordering of destiny. Friedrich Rittelmeyer: A revitalized Johannine Christianity stands at the heart of the work of Christian renewal that was led by Rudolf Steiner in the early twentieth century. Friedrich Rittelmeyer, a Lutheran minister and theologian who helped found The Christian Community in 1922, was a leading figure within this new Johannine movement. Rittelmeyer described John's Gospel as encapsulating an indescribable glory of revelation of love. This glory has such purity, delicacy and spiritual power that in it one has the material with which a marvellous new world may be built. Without doubt his most powerful work, Rittelmeyer's Letters on John's Gospel, first appeared in a series of publications by the Stuttgart seminary of The Christian Community between 1930 and 1932. Whilst these Letters were originally written with students and local congregations in mind, they provide manifold insights for anyone seeking to glimpse the majesty of John's Gospel. Margaret Mitchell's translation from 1937 has never before been published in book form. Revised here and expanded by editors Alan Stott and Neil Franklin, this volume features additional contributions by Rudolf Frieling and Emil Bock.

Life's 'Answer' Richard Broadhurst, 2012-08-22 Everyone needs a reason to get up in the morning; they need a driving force or motive within themselves to spur and encourage them every day. Ultimately, people are looking for some form of gain, adventure, fulfilment, enjoyment or challenge, and this may be expressed as a search for the answer to a worthwhile life, and this book points the way to it. 63 It includes how to get the best out of life or make a new start and shows the steps to be taken using a personal, not formal, approach. However, many others make the above claims, but the pathway given here is progressive, offers positive hope and security, and is based on the Christian Faith. 54-117 The second part of the book provides backing for the earlier claims and goes much further by taking a detailed look at the Christian Faith using biblical scriptures, notes and quotations to explain the main elements of the Faith. It assumes no prior knowledge and avoids jargon. 47-164

Catalogue of books added to the lending library from August 1893 to August 1895 Edinburgh publ. libr, 1895 Caught in the Web of Words Katherine Maud Elisabeth Murray, 2001-01-01 This unique and celebrated biography describes how a largely self-educated boy from a small village in Scotland entered the world of scholarship and became the first editor of the Oxford English Dictionary and a great lexicographer. It also provides an absorbing account of how the dictionary was written, the personalities of the people working on it and the endless difficulties that nearly led to the whole enterprise being abandoned. It is a magnificent story of a magnificent man, one of the finest biographies of the twentieth century as its subject was one of the finest human beings of the nineteenth. Anthony Burgess. A moving and dramatic story, sometimes tragic, often comic, ultimately triumphant. Times London. A biography that possesses many of the virtues of James Murray himself: grace, humor, intelligence, curiosity, and scholarship. Time. In her vivid biography, Murray's granddaughter brings his remarkable personality to life and provides an unexpectedly fascinating account of the OED's long and difficult birth. Times Literary Supplement. A gripping, engaging story, endearing too. The daily round of a big Victorian family with its jokes, games, and treasured seaside holidays is entrancingly evoked. Sunday Times London. *A Heart for the City* John Fuder, 2005-11-01 Jesus is still the answer for urban ministries, for ministries to the downtrodden, poor, and distressed in our cities. *A Heart for the City* is a rich compendium of valuable information on city ministries, written by people who are currently ministering in the city, including pastors, Christian school administrators, and directors of homeless missions. It includes many illustrations and case studies that will prove valuable to any who work in the city or who want to understand how to more effectively help in the city. There are 29 chapters divided into the following seven parts: Context and History, Biblical and Philosophical Foundations, Education and Training, Local Church Models, Ethnic Communities, Disenfranchised Subcultures, Children and Youth. *A Heart for the City* is a unique treasure of encouragement for those serving in or those with a heart for the inner city. You will surely be blessed.
