enhance discussions on each chapter's topic Online Public Access to Library Files Janet Kinsella, 1985 **The Routledge Handbook of English-Medium Instruction in Higher Education** Kingsley Bolton, Werner Botha, Benedict Lin, 2024-03-21 This Handbook discusses the theoretical and disciplinary background to the study of English medium instruction (EMI) in higher education worldwide. It highlights issues relating to EMI pedagogy, varying motivations for EMI education, and the delivery of EMI in diverse contexts across the world. The spread of English as a teaching medium and the lingua franca of the academic world has been the subject of various debates in recent years on the perceived hegemony of the English language and the domain loss of non-English languages in academic communication. Encompassing a wide range of contributions to the field of EMI, the chapters of this Handbook are arranged in four distinct parts. Part I provides an overview of English medium instruction in higher education worldwide. Part II focusses on EMI in Europe. Part III on EMI in the Middle East, North Africa, and Sub-Saharan Africa, and Part IV on EMI in the Asian region. The overall scope and level of expertise of this Handbook provides an unrivalled overview of this field of education. It serves as an essential reference for many courses dealing with applied linguistics, English language education, multilingualism, sociolinguistics, and related subjects at many levels of education, including Master's and PhD level studies. This Handbook serves as a valuable edition for university libraries across the world and an essential read for many faculty, undergraduate and postgraduate students, educators, and policymakers.

Multilingual Frameworks Neil Jones, 2014-08-28 This volume describes 20 years of work at Cambridge English to develop multilingual assessment frameworks and presents useful guidance of good practice. It covers the development of the ALTE Framework and Can Do project work on the Common European Framework of Reference (CEFR) and the linking of the Cambridge English exam levels to it. Asset Languages, a major educational initiative for UK schools and the European Survey on Language Competences co-ordinated by Cambridge English for the European Commission. It proposes a model for the validity of assessment within a multilingual framework and while illustrating the constraints which determined the approach taken to each project, makes clear recommendations on methodological good practice. It also explores and looks forward to the further extension of assessment frameworks to encompass a model for multilingual education. Key features of the volume include a clear and comprehensive explanation of several major multilingual projects, combination of theoretical insights and practical advice, discussion of the interpretation and use of the CEFR. Multilingual Frameworks is a rich source of information on key issues in the development and use of multilingual proficiency frameworks. As such, it will be a valuable reference work for academics, education policy makers, and examination board personnel. It is also a useful resource for postgraduate students of language assessment and for practitioners and any stakeholders seeking to gain a clearer picture of the issues involved with cross-language assessment frameworks.
