Executive Politics in Semi-Presidential Regimes Martin Carrier, 2015-12-16 This book analyzes the power variations between political executives in semi presidential regimes It contrasts institutional partisan and extra institutional explanations and identifies patterns of change for the power distribution between presidents and prime ministers It provides an empirical analysis of selected case studies and demonstrates the necessity to understand power variations in a configurative perspective exposing the limits of institutional design explanations This study ultimately aims to contribute to both the literature on semi presidentialism and to the literature on democratic regimes by providing a systematic assessment of these different configurations in both mature and emerging democracies To explore this phenomenon this research tests the key factors of power variation proposed in the semi presidential literature on the power relationship between presidents and prime ministers mainly in France s Fifth Republic and post 1993 Ukraine but also to a lesser extent in Finland post 1993 Russia and post 1990 Poland

The Power of Opposition Simone Wegmann, 2022-07-01 Proposing a novel way to look at the consolidation of democratic regimes this book presents important theoretical and empirical contributions to the study of democratic consolidation legislative organization and public opinion Theoretically Simone Wegmann brings legislatures into focus as the main body representing both winners and losers of democratic elections Empirically Wegmann shows that the degree of policy making power of opposition players varies considerably between countries Using survey data from the CSES the ESS and the LAPOP and systematically analyzing more than 50 legislatures across the world and the specific rights they grant to opposition players during the policy making process Wegmann demonstrates that neglecting the curial role of the legislature in a democratic setting can only lead to an incomplete assessment of the importance of institutions for democratic consolidation The Power of Opposition will be of great interest to scholars of comparative politics especially those working on questions related to legislative organization democratic consolidation and or public opinion

Electing Presidents in Presidential and Semi-Presidential Democracies Adem Kassie Abebe, Elliot Bulmer, 2019-09-24 This primer discusses the

constitutional rules for choosing presidents in countries where the president exercises significant governance powers This includes both a countries where presidents perform the functions of both head of state and chief executive and b countries where presidents although required to share power with a prime minister who is responsible to the legislature nevertheless have an active role in governance and more than merely formal or ceremonial powers In a democracy presidents with such powers must be chosen by a process that confers upon them a democratic mandate and legitimacy the norm being direct popular elections International IDEA s Constitution Building Primers are designed to assist in country constitution building or constitutional reform processes by helping citizens political parties civil society organizations public officials and members of constituent assemblies make informed constitutional choices They also provide guidance for staff of intergovernmental organizations and other external actors working to provide well informed context relevant support to local decision makers Each Primer is written as an introduction for non specialist readers and as a convenient aide memoire for those with prior knowledge of or experience with constitution building Arranged thematically around the practical choices faced by constitution builders the Primers aim to explain complex constitutional issues in a quick and easy way

Central and Eastern European Media in Comparative Perspective John Downey, Sabina Mihelj, 2016-04-15 Appearing more than twenty years after the revolutions in Central and Eastern Europe this book could not have come at a more appropriate time a time to take stock not only of the changes but also the continuities in media systems of the region since 1989 To what extent are media institutions still controlled by political forces To what extent are media markets operating in Central and Eastern Europe Do media systems in Central and Eastern Europe resemble media systems in other parts of Europe The answers to these questions are not the same for each country in the region Their experience is not homogeneous An international line up of distinguished experts and emerging scholars methodically examine the different economic political cultural and transnational factors affecting developments in media systems across Central and Eastern Europe Whereas earlier works in the media system tradition have in the main adopted the political framework of comparative politics the authors argue that media systems are also cultural and economic institutions and there are other critical variables that might explain certain outcomes better Topics discussed range from political economy to gender inequality to the study of ethno cultural diversity This unmatched volume gives you the unique opportunity to study the growing field of comparative media analysis across Eastern and Western Europe A valuable resource that goes beyond the field of media and cultural analysis which media scholars as well as to area specialists should not go without

Political Budgeting Across Europe Christian Breunig, Christine S. Lipsmeyer, Guy D. Whitten, 2018-10-18 Budgeting is a key aspect of governmental behaviour Research on budgeting has taken various theoretical and methodological approaches and these differences have prevented scholars from discussing their common topic In this collection we have gathered a group of prominent scholars to explore the intermingling of budgets and politics from an assortment of theoretical and methodological perspectives It highlights not only

the breadth of current research but also the range of what remains underexplored This book was originally published as a special issue of the Journal of European Public Policy **Russia** Piotr Dutkiewicz, Dmitri Trenin, 2011-05-01 In Russia a group of leading Russian intellectuals and social scientists join with top researchers from around the world to examine the social political and economic transformation in Russia This timely and important book of original essays makes clear that neither politics nor economics alone holds the key to Russia's future presenting critical perspectives on challenges facing Russia both in its domestic policies and in its international relations It also explores how global order or disorder may develop over the coming decades Contributors include Oleg Atkov Timothy J Colton Georgi Derluguian Mikhail K Gorshkov Leonid Grigoriev Nur Kirabaev Andrew C Kuchins Bobo Lo Roderic Lyne Vladimir Popov Alexander Rahr Richard Sakwa Guzel Ulumbekova Vladimir I Yakunin Rustem Zhangozha Policy Analysis in Turkey Güneş Ertan, Caner Bakir, 2018-06-06 This volume provides the first comprehensive overview of the state of policy analysis in Turkey for an international audience Noting Turkey's traditionally strong highly centralised state the book documents the evolution of policy analysis in the country providing an in depth review of the context constraints and dominant modes of policy analysis performed by both state and non state actors The book examines the role of committees experts international actors bureaucrats as well as public opinion in shaping policy analysis in the country through their varying ideas interests and resources In doing so it presents the complex decision making mechanisms that vary significantly among policy making actors and institutions documenting the key yet unexamined aspects of policy analysis in Turkey It will be a valuable resource for those studying policy analysis within Turkey and as a comparison with other volumes in the International Library of Policy Analysis Series

Politics and Political Elites in Latin America Manuel Alcántara, Mercedes García Montero, Cristina Rivas Pérez, 2020-09-22 This book presents in depth analyses of the data gathered for 26 years by the Political Elites of Latin America project PELA the most comprehensive database about the topic in the world Since 1994 PELA has conducted around 9 000 personal interviews with representative samples of the Legislative Powers of 18 Latin American countries generating a unique resource for the study of political elites in a comparative perspective Now this contributed volume brings together studies that dig into the data gathered by PELA to discuss important topics related to the challenges faced by representative democracy in Latin America After an introductory chapter that presents the potential of the PELA database the book is structured in two parts The first addresses in eight chapters important aspects of representative democracy such as political ambition political trust satisfaction with democracy clientelism and the quality of democracy It then discusses three relevant issues in Latin American political dynamics such as executive legislative relations women's participation as representatives and the meaning of China and the United States in national politics The second part addresses in five chapters studies of seven national cases that are representative of regional heterogeneity These chapters aim to examine parliamentary elites attitudes in different political systems with regard to a variety of relevant issues such as institutional trust satisfaction with

democracy Executive Legislative relations clientelism and gender questions Furthermore these chapters intend to evince the evolution of such attitudes in the course of the last two decades Politics and Political Elites in Latin America Challenges and Trends will be of interest to scholars and students of comparative politics in general and more particularly to those interested in the challenges faced by representative democracy not only in Latin America but in many parts of the world PAIS
