The Life of O'Reilly John O'Reilly, Ivan Morris, 2004-02-29 The Life of O Reilly is a chronicle of the career of one of the European PGA Tour s most famous caddies John O Reilly and it s full of funny stories as only this Irishman can tell them Like the one about the time he and some fellow caddies were arrested and jailed in East Germany on their way to the German Open in Berlin Or the one about the Tour pro who in a fit of temper after a bad shot put his foot through the bottom of his golf bag and could not get it out again The Life of O Reilly is a rollicking ride around the world and the world of professional golf by one of the game s most interesting characters No golf library would be complete without it I hope that you ll find this book as entertaining as I found Johnny to be throughout our three successful years on tour There was never a dull moment Pdraig Harrington
