*Bulletproof Manifesto* Kevin Foreman,2022-08-19 Bulletproof Manifesto Wayne's Port Arkansas is a great place to visit There's casino's Night Clubs Lakes to fish in places to swim and campgrounds to stay at during the summers There are race tracks restaurants and amusement parks These things however are not what Wayne's Port are remembered for 25 Years ago tragedy struck and many lives were lost Dusty Franklin Michael Pierce and Clyde Lovett disappeared and have never been seen since Homes were looted and burnt to the ground Many lives were lost and there was no evidence of foul play Without evidence there can be no investigation Life limped on and the town was left to ponder as to who why and would there ever be resolve or justice One day *The Repository of Wit and Humor* ,1857 **The Beginning** Fiona Donovan,2014-10-03 John O'Bryan returns in this second novel This time the young American contract assassin working for the CIA takes us through his initial journey into the secretive and corrupt world of intelligence He takes us through his grueling training at the infamous Farm the official CIA training camp Here he learns just what it takes to make it as an agent of the CIA His first assignment comes early on in his career and we learn what it's like to go from a rookie outsider to being accepted into not one but two of the most honorable brotherhood organizations in the world His world is rocked hard by this very challenging assignment both emotionally and psychologically as he faces the unpleasant task placed before him He is then drawn into the true core of evil as he and his team members attempt to take out one of the world's most evil terrorist groups before they can rain down destruction and devastation on an unimaginable vast international scale John's journey through this assignment once again confronts him with light and darkness good versus evil in the situations and challenges that are thrown before him We follow John in his every step as he grows and develops from a cocksure rookie who knows it all to a more mature and confident agent This book gives us a glimpse through the looking glass of the secrets lies and betrayals that occur within the CIA Contains strong language and gruesome details **I Am My Father's Son** Frederick Douglas Jr.,2016-12-01 This is a true story based on the collection of information from U S Army documents my father Sgt Frederick Douglas Sr Captain James Gill Referred to as my uncle and 6 other soldiers that were involved in the unauthorized mission to recover me from a Japanese black market baby ring Army documents that my father had were also used to put together approximate timelines and fill in

gaps of what might have happened during certain times where my father or uncle couldn't quite remember clearly. Some of the conversations in this story are assumptions of what might have been spoken as well as recollections from my father, uncle, and a couple of men that were involved in my rescue. My father served 22 years in the U.S. Army with tours of duty in what are now Okinawa, Japan, Korea, and Viet Nam. My uncle served 20 years in the U.S. Air Force and as fate would have it, he was stationed with my father in Okinawa at Naha and Kadena Air Base between the years of 1962-1967. My father had just completed a tour of duty in Korea 3-1961-1-1962 and was being furloughed to Okinawa for a couple of months off until his next tour. It was during January of 1962 when my uncle had just arrived from the United States and was assigned between Naha Air Base and Kadena Air Force Base in charge of air tactical recon and surveillance. Actual names are used in this story for the exception of the Colonel which I changed his name due to my father's oath of keeping him protected. What you are about to read is a father's struggle and perseverance to find his son at all cost and risk, which was a mini war in itself.
