The Werevamp Diaries: Moon Beam Dream Olivia Hardin, The night my BFF died in my arms it shook me to the core So when a challenging medical case gets dropped into my lap I m determined not to let it end with more blood on my hands I m not good with death Yeah it s true I m a doctor and a vet but I m damn good at my job and death doesn t happen often when a life is in my hands Whether I m working my medical magic or letting my werewolf out so she can kick some a I can always count on myself to get the job done I was totally willing to put my life on the line to fight for my BFF now that we ve saved her from the grim reaper I was really hoping things would settle down for all of us But I guess it just doesn t work that way Instead I m dealing with a tricky medical case that may be beyond my abilities not to mention a baby situation that I totally never saw coming And I m not sure if it s just the stress of all that but a weird tension is cropping up between me and the love of my life All I want is to find a way to protect all of those most important to me but it seems there s a new test behind every door Can t a girl catch a break

Don't Never Tell Nobody Nothin' No How Rick James, 2018-10-13 We operated perfectly legally We considered ourselves philanthropists We supplied good liquor to poor thirsty Americans and brought prosperity back to the Harbour of Vancouver Captain Charles Hudson At the stroke of one

minute past midnight January 17 1920 the National Prohibition Act was officially declared in effect in the United States From 1920 to 1933 the manufacture sale importation and transportation of alcohol and of course the imbibing of such products was illegal Prohibition was already a bust in Canada and it wasn't long before fleets of vessels from weather beaten old fish boats to large ocean going steamers began filling their holds with liquor to deliver their much valued cargo to their thirsty neighbours to the south Contrary to popular perception rum running along the Pacific coast wasn't dominated by violent encounters like those portrayed in the movies Instead it was usually carried out in a relatively civilized manner with an oh so Canadian politeness on the British Columbian side Most operated within the law But there were indeed shootouts hijackings and even a particularly gruesome murder associated with the business Using first hand accounts of old time rum runners extensive research using primary and secondary documentation and the often sensational newspaper coverage of the day Don't Never Tell Nobody Nothin' No How sets out to explain what really went down along the West Coast during the American Noble Experiment *Catalog of Copyright Entries* Library of Congress. Flying Through Midnight John T. Halliday, 2005-11-01 Riveting novelistic and startlingly candid John T Halliday's combat memoir begins in 1970 when Halliday has just landed in the middle of the Vietnam War primed to begin his assignment with the 606th Special Operations Squadron But there's a catch He's stationed in a kind of no man's land No one on his base flies with ID patches or rank Even as Richard Nixon firmly denies reporters charges that the United States has forces in Laos Halliday realizes that from his base in Thailand he will be flying top secret black ops night missions over the Laotian Ho Chi Minh Trail A naive yet thoughtful twenty four year old Halliday was utterly unprepared for the horrors of war On his first mission Halliday's C-123 aircraft dodges more than a thousand anti-aircraft shells and that is just the beginning Nothing is as he expected not the operations not the way his shell shocked fellow pilots look and act and certainly not the squadron's daredevil seat of one's pants approach to piloting But before long Halliday has become one of those seasoned and shell shocked pilots and finds himself in a desperate search for a way to elude certain death Using frank true to life dialogue potent imagery and classic 1970s song lyrics Halliday deftly describes the fraught Laotian skies and re-creates his struggle to navigate the frustrating Air Force bureaucracy the deprivations of a remote base far from home and his young wife and his fight to preserve his sanity The resulting nonfiction narrative vividly captures not only the intricate distorted culture of war but also the essence of the Vietnam veteran's experience of this troubled era A powerhouse fusion of pathos and humor brutal realism and intimate reflection *Flying Through Midnight* is a landmark contribution to war literature revealing previously top secret intelligence on the 606th's night missions Fast paced thrilling and bitingly intelligent Halliday illuminates it all the heart pounding air battles the close friendships the crippling fear and the astonishing final escape that made the telling of it possible
