**Children's Sermons A to Z** Brett Blair, 2000-07 Anyone who has done children's sermons will sooner or later hear from someone that I learn more from the children's sermon than I do from the real sermon And indeed the truths of scripture are so simple that even a child can understand them So it's no accident that children's sermons have become a central part of the worship service in many churches Brett Blair and Tim Carpenter offer a year's worth of object lessons that engage children and impart profound lessons for all ages Two sermons are provided for each Sunday in Cycle C of the Revised Common Lectionary one based on the Second Lesson and one based on the Gospel The messages are structured in two parts the lesson uses an object to draw out active responses from children then the application connects that object to the assigned scripture reading Each message includes a clear statement of its exegetical aim Bright innovative perceptive creative grace filled Brett Blair and Tim Carpenter are all of those and much much more and that is reflected beautifully in their new book *Children's Sermons A To Z* James W Moore Pastor St Luke's United Methodist Church Houston Texas Brett Blair is associate pastor of Asbury United Methodist Church in Memphis Tennessee He holds the M Div degree from Yale University Divinity School and is a cum laude graduate of Oral Roberts University with B A and M A degrees in New Testament Literature Tim Carpenter is the pastor at First United Methodist Church in Bolivar Tennessee He is a graduate of Memphis Theological Seminary M Div and the University of Florida B A in political science

**Michigan Library Bulletin**, 1916 *Preaching from Inside the Story* Jeffrey W. Frymire, 2022-06-02 *Preaching from Inside the Story* is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle's foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture *Preaching from Inside the Story* breaks new ground by encouraging

preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching *The Community Daily Vacation Bible School* Ezra C.
