Once I got started, I couldn't stop. The history of e-Jeanne began around 1999, really ramped up when 9/11 hit. Our nation became more organized and intentional thereafter and continued until 2005. You see, e-Jeanne was a precursor of currently popular blogs, although we called her an e-zine. She was assembled early in the morning, right after my morning devotions. In fact, I realize that many of my morning devotions somehow crept into the e-Editorials and then forwarded by e-mail to over 300 people all around the world. I did this two or three days a week for 10 years. Like I said, maybe I am a little crazy. This is not a book you can rush through unless you are only looking for jokes, and I am astonished how small the font has to be in order to fit everything in. You're going to need a bookmark to help mark your spot. Always, my goal was to fulfill: Let your good works shine out for all to see, so that everyone will praise your Heavenly Father.
