Cantwell-Jurkovic, 2024-04-01 Healthcare professionals and health science librarians need to know more than research practices and clinical knowledge to become transformational individuals and leaders in their field Empathy and compassion appreciation for the various social and cultural contexts of health care and illness and utilizing the contributions the arts humanities and humanistic social sciences can add depth and dimension to their work While librarians are not usually the healthcare professionals themselves they serve an important role in the development of healthcare professionals through their work in educational and or healthcare settings helping train others in the goals of the curriculum and in lifelong learning related habits of mind This book offers librarians an opportunity to learn about and develop approaches to the health humanities for their benefit and the benefit of their constituents and stakeholders as well as for impacting the future health care professionals of our global community In addition to foundational contents on the history of the health humanities this book approaches the health humanities from a wealth of angles including archives and special collections collection development privacy biases empathy skills development through writing and programming engagement and through consideration of special populations and more Beyond essential health humanities grounding and topical perspectives this book shares valuable pedagogical and instructional approaches and outreach strategies for bringing librarians into conversation with campus departments curricular pathways instructors goals and learners needs These modifiable adaptable techniques will allow readers to develop the confidence and tools they need to bring the health humanities to their institutions and will help the perspectives and skillsets of the health humanities flourish among the next generation of health care professionals     The Five Quintets Micheal O'Siadhail, 2018-07     **Ecoflourishing and Virtue** Steven Bouma-Prediger, Nathan Carson, 2023-11-10 This book brings together the interdisciplinary reflections of Christian scholars and poets to explore how ecological virtues can foster the flourishing of our home planet in the face of unprecedented environmental change and devastation Its central questions are What virtues are needed for us to be better caretakers of our home planet What vices must we extinguish if we are to flourish on the earth What is the connection between such virtues and vices and the flourishing of all creatures Each contribution offers insight on ecological virtue ethical questions through disciplinary lenses ranging from biology geology and economics to literature theology and philosophy The chapters feature the legacy and lessons of senior scholars reflecting on a lifetime of earthkeeping work highlight global concerns and perspectives and include compelling poetic reflections Focusing on the way in which human vices and virtues drive so many of our ecological problems and solutions the volume engages timely issues of environmental importance such as environmental racism interfaith dialogue ecological philosophies of work and economics marine pollution ecological despair hope and humility encouraging fresh reflection and action It will be of interest to those working in theology and religious studies philosophy ethics and environmental studies     **David Jones: A Christian Modernist?** Jamie Callison, Erik Tønning, Anna Johnson, Paul Fiddes, 2017-11-01 David Jones A Christian Modernist is a major reassessment of

the work of the poet artist and essayist David Jones 1895 1974 in light of the complex ambiguous idea of a Christian modernism His richly experimental and palimpsestic poetry art and thought drew extensively on Christian tradition and symbolism as a key to the future rejecting a technocratic and utilitarian modernity in favour of a revitalised culture of sign and sacrament This volume examines historical influences on Jones s development his impassioned engagement with the idea of modernity and with modernist literature and art the theological sources and resonances of his work and contemporary or late modern perspectives on his achievement

**Un/familiar Theology** Susannah Cornwall,2017-06-15 Through engagement with theologies of adoption pro natalism marriage and queer theology Susannah Cornwall figures developments in models of marriage and family not as distortions of or divergences from the divinely ordained blueprint but as developments already of a piece with these institutions being Much Christian theological discussion of family sex and marriage seems to claim that they are or should be unchanging and immaculate that to celebrate their shifting and developing natures is to reject them as good gifts of God However models of marriage family parenting and reproduction have changed and are still in some cases radically changing These changes are not all a raging tide to be turned back but in continuity with goods deeply embedded in the tradition Alternative forms of marriage and family stand as signs of the hope of the possibility of change Changed institutions such as same sex marriage are new beginnings with the potential to be fruitful and generative in their own right In them humans create new imaginaries which more fully acknowledge the interactive nature of our relationships with the world and the divine

The Art of New Creation Jeremy Begbie,Daniel Train,W. David O. Taylor,2022-03-29 Creation and the new creation are inextricably bound for the God who created the world is the same God who promises a new heaven and a new earth Bringing together theologians biblical scholars and artists this volume based on the DITA10 conference at Duke Divinity School explores how the relation between creation and the new creation is informed by and reflected in the arts

Song of Songs Paul J. Griffiths,2011-06 This addition to the well received Brazos Theological Commentary on the Bible offers theological exegesis of the Song of Songs

**Writing and Health Care** Janelle Adsit,2025-05-29 How can arts based approaches benefit patients and professionals within the health care system Can the skills creative writers use to craft their work be applied more broadly to enhance the wellbeing of those in need of medical care This book offers a practical introduction to how these ideas can be employed within health care settings as treatments to foster more empathetic and humane interactions between patients and practitioners and to help understand the personal narratives of others Combining aesthetic theory with practice Writing and Health Care reflects on the role of creative expression in bettering the life and well being of oneself and others Touching on areas as diverse as health humanities narrative medicine creative therapies and transformative language arts it introduces a range of genres including graphic medicine illness narratives sick lit and more Foregrounding health justice and thinking with intersectional communities at the forefront this book enables readers to write in ways that resist limited thinking contribute to the transformation of health

systems and processes and generate works that promote forms of expression with therapeutic effects for patients and practitioners alike

**Song of Songs (Brazos Theological Commentary on the Bible)** Paul J. Griffiths, 2011-06-01 Explore how the roots of the ancient Christian tradition inform and shape faithfulness today The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture creedally for the twenty first century just as the church fathers the Reformers and other orthodox Christians did for their times and places A rich resource for preachers teachers students and study groups the BTC provides guidance for reading the Bible under the rule of faith Each volume in the series includes a Christological focus and framework grounded in the Nicene Creed connections between biblical interpretation and today's social issues applications for contemporary faith and life devotional depth for meditation and reflection insights from literature philosophy culture and more In this addition to the well received Brazos Theological Commentary on the Bible Paul Griffiths offers theological exegesis of the Song of Songs Ultimately the Brazos Theological Commentary on the Bible demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible The Brazos Theological Commentary offers just the right level of light to make illuminating the Word the joy it was meant to be Calvin Miller author of *A Hunger for the Holy* and *Loving God Up Close*
