Walking Toward the Light Jane E. Harber, 2011-03 A good spiritual foundation is absolutely essential in this day and age when the Christian thinking and beliefs are all over the park Now the fundamentals of Christianity are laid out in an easy to follow collection of study sessions in Jane Harber s Walking Toward the Light Using Biblical references Jane answers many questions in clear and simple language that will appeal to new and old Christians alike You will learn the basics of faith such as Who Jesus Is God s Love for You God s Power Grace Through Faith Making It Real These crucial studies prove to be stimulating and revitalizing and their life changing principles will help stabilize Christian foundational beliefs Begin your journey through the most profound experience of life and start Walking Toward the Light You have done some great work here As an evangelist I am always looking for good material to put into the hands of those who make a decision to follow Jesus Some of the things we see are either too complicated or too biased Some are great for young people but too juvenile for adults Yours however is just like Baby Bear s portage just right I m sure this will be a very useable tool for people who want to help others move onward with the Lord Thank you for this wonderful resource Mike Warnke Evangelist Christian Comedian This work should not be confused with a denominational handbook Jane has done a good job of keeping free from sectarian or theological bias The book is Scripture study from start to finish I am convinced that Walking Toward the Light will become a standard textbook for many churches to use in newcomers class Sunday school discipleship programs or regular Bible study groups David Rodriguez President Therapon Institute

Requiem for a Soldier Abhishek Amal Sanyal, In the shadow of the British Raj each of the million Indian soldiers in the First World War had a unique story that has echoed across the vastness of history This story is the saga of Kumar born to privilege in the Bengal Presidency but swept up in events much larger than himself When the horrors of the outlawed practice of Sati force him to confront his beliefs his journey into the world beyond begins From Calcutta s bustling streets to the distant shores of Ceylon and the battlefields of Verdun Kumar s path is never easy Love challenges him prejudice tests him and the weight of history pulls him in myriad directions With each step he finds himself surrounded by a vibrant ensemble of personalities from a passionate Irish soldier to a dedicated Scottish nurse and a driven Indian social activist As Kumar traverses lands and seas he wrestles not only with life s inherent dichotomies but with his own internal conflicts And when he finally returns home he is caught up in a whirlwind of political fervour and old rivalries Has Kumar s journey moulded him into the man he needs to be or will the weight of his past decisions hold him back Dive into an epic tale of love war and the quest for self set against the backdrop of a world in turmoil

FDR Goes to War Burton W. Folsom, Anita Folsom, 2011-10-11 From the acclaimed author of *New Deal or Raw Deal* called eye opening by the National Review comes a fascinating expos of Franklin Delano Roosevelt s destructive wartime legacy and its adverse impact on America s economic and foreign policies today Did World War II really end the Great Depression or did President Franklin Roosevelt s poor judgment and confused management leave Congress with a devastating fiscal mess after the final bomb was dropped In this provocative new book historians Burton W Folsom Jr and Anita Folsom make a compelling case that FDR s presidency led to evasive and self serving wartime policies At a time when most Americans held isolationist sentiments a backlash against the stunning carnage of World War I Roosevelt secretly favored an aggressive interventionist foreign policy Yet throughout the 1930s he spent lavishly on his disastrous New Deal programs and slashed defense spending leaving America vastly unprepared for Japan s attack on Pearl Harbor and the challenge of fighting World War II History books tell us the wartime economy was a boon thanks to massive government spending But the skyrocketing national debt food rations nonexistent luxuries crippling taxes labor strikes and dangerous work of the time tell a different story one that is hardly the stuff of recovery Instead the war ushered in a new era of

imperialism for the executive branch Roosevelt seized private property conducted illegal wiretaps tried to silence domestic opposition and interned 110 000 Japanese Americans He set a dangerous precedent for entangling alliances in foreign affairs including his remarkable courtship of Russian dictator Joseph Stalin while millions of Americans showed the courage perseverance and fortitude to make the weapons and fight the war Was Roosevelt a great wartime leader as historians almost unanimously assert The Folsoms offer a thought provoking revision of his controversial legacy FDR Goes to War will make America take a second look at one of its most complicated presidents **Scar Tissue** Anthony Kiedis, Larry Sloman, 2004-10-01 In this vivid and inspiring New York Times bestseller Newsweek the Red Hot Chili Peppers lead singer and songwriter shares a searingly honest account of life in the rock scene s fast lane from the darkness into the light In 1983 four self described knuckleheads burst out of the mosh pitted mosaic of the neo punk rock scene in L A with their own unique brand of cosmic hardcore mayhem funk Over twenty years later the Red Hot Chili Peppers against all odds have become one of the most successful bands in the world Though the band has gone through many incarnations Anthony Kiedis the group s lyricist and dynamic lead singer has been there for the whole roller coaster ride In Scar Tissue Kiedis delivers a compelling life story from a man in love with everything the darkness the death the disease Even his descent into drug addiction was a part of that journey another element transformed into art Whether he s honoring the influence of the beautiful strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama s humble compound Kiedis shares a compelling story about the price of success and excess Scar Tissue is a story of dedication and debauchery of intrigue and integrity of recklessness and redemption a story that could only have come out of the world of rock

Swimming with Bridgeport Girls Anthony Tambakis, 2017-07-11 *Swimming with Bridgeport Girls* is an outstanding debut entertaining and sometimes sad a superb portrait of a troubled but wisecracking gambler Think Carl Hiaasen meets Fyodor Dostoevsky s *The Gambler* Library Journal starred review Ray Parisi is in trouble Fired from his anchor job at ESPN after one too many public humiliations he is holed up in a motel and in desperate need of a break His ex wife is shacking up with another guy in his old house a bookie wants to kill him and he s wanted by the New York State Police A few days before the Fourth of July he unexpectedly receives an inheritance from his long lost father and it seems like all of his problems might be solved Determined to get his life back together Ray hatches an imaginative but highly suspect plan to win back his wife dashing from Connecticut to Las Vegas to Memphis in an attempt to secure his future before the past runs him down The cast of characters he meets along the way is as loveable as it is absolutely insane If *Swimming with Bridgeport Girls* were a Springsteen album it would be *Devils Dust* partly set in Las Vegas it evinces hope and humor but is dark and gritty at its core Kirkus Reviews Anthony Tambakis s first novel is an uproarious romantic comedy about a charismatic gambler who loses everything and sets off on a mission to against all odds finally get it right **Broken Woman Weep No More , Proofs** ,1922
