Sarkhedi,2021-07-31 Storytelling is pretty much the most basic and important way of communication since ancient times One has always conveyed a piece of information through storytelling The concept of storytelling is not difficult to understand it is clear it is simple to tell a story Now telling a story to describe something in a better and more convenient manner is art Storytelling is used to reach the masses and make the subject much easier to comprehend In ancient times all the cave dwellers used pigment to paint on walls with their hands to create stories and myths The ancient Greeks carved their language into walls to tell how history was moving forward The Chauvet cave in France is the oldest representation of storytelling It was found thus far dating to 36 000 years ago The storytelling there is about the cave paintings that are believed to tell the story of a volcanic eruption according to many articles published online In today's era storytelling is yet another very crucial method of disseminating information Also it is vividly clear that the internet is a part of our lives The internet answers so many things the maximum topics we want to know the answers for Now culminating these very important methods storytelling and the internet it makes the writer powerful enough to reach the maximum number of

people and tell them the concept or the message or the information via storytelling. It makes the writer's work reach as many people as possible; hence the storytelling technique makes it easier for the readers to understand and relate to the writer's work. *Storytelling & Marketing*, 2006. *Storytelling* Daniel Anderson, 2019-06-10.
