Encyclopedia of Hair Victoria Sherrow, 2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information How we style our hair has the ability to shape the way others perceive us For example in 2017 the singer Macklemore denounced his hipster undercut hairstyle a style that is associated with Hitler Youth and alt right men and in 2015 actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype This volume examines how hair or lack thereof can be an important symbol of gender class and culture around the world and through history Hairstyles have come to represent cultural heritage and memory and even political leanings social beliefs and identity This second edition builds upon the original volume updating all entries that have evolved over the last decade such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss New entries have been added that look at specific world regions hair coverings political symbolism behind certain styles and other topics

Made in Mexico Luis I. Reyes, 2024-03-26 For more than a century directors from both sides of the border have chosen Mexico as the location to create their cinematic art leaving an indelible imprint on the imaginations of moviegoers and filmmakers worldwide Now for the first time Made in Mexico Hollywood South of the Border presents a comprehensive examination of more than one hundred Hollywood theatrical feature films made in Mexico between 1914 and the present day Lavishly illustrated throughout Made in Mexico examines how Hollywood films depicted Mexico and how Mexico represented itself in relation to the films shot on location It pulls back the curtain on how Hollywood filmmakers influenced Mexican films and Mexican filmmakers influenced Hollywood Listed chronologically and featuring cast credits synopsis and contemporary reviews along with a production history for each entry this book highlights the concept of crossing borders in which artists from both nations collaborated with one another Made in Mexico also provides a brief historical perspective on the aesthetics economics and politics of the film industries in each country giving readers a glimpse of the external forces at play in the production of these films With motion pictures permeating the cultural and historical landscape of both Mexico and the United States this compulsively readable compendium demonstrates the far reaching influences of the featured films on the popular culture of both nations

Dolores del Río Linda B. Hall, 2013-01-09 Dolores del R o s enormously successful career in Hollywood in Mexico and internationally illuminates issues of race ethnicity and gender through the lenses of beauty and celebrity She and her husband left Mexico in 1925 as both their well to do families suffered from the economic downturn that followed the Mexican Revolution Far from being stigmatized as a woman of color she was acknowledged as the epitome of beauty in the Hollywood of the 1920s and early 1930s While she insisted upon her ethnicity she was nevertheless coded white by the film industry and its fans and she appeared for more than a decade as a romantic lead opposite white actors Returning to Mexico in the early 1940s she brought enthusiasm and prestige to the Golden Age of Mexican cinema becoming

one of the great divas of Mexican film With struggle and perseverance she overcame the influence of men in both countries who hoped to dominate her ultimately controlling her own life professionally and personally Race in American Film Daniel Bernardi, Michael Green, 2017-07-07 This expansive three volume set investigates racial representation in film providing an authoritative cross section of the most racially significant films actors directors and movements in American cinematic history Hollywood has always reflected current American cultural norms and ideas As such film provides a window into attitudes about race and ethnicity over the last century This comprehensive set provides information on hundreds of films chosen based on scholarly consensus of their importance regarding the subject examining aspects of race and ethnicity in American film through the historical context themes and people involved This three volume set highlights the most important films and artists of the era identifying films actors or characterizations that were considered racist were tremendously popular or hugely influential attempted to be progressive or some combination thereof Readers will not only learn basic information about each subject but also be able to contextualize it culturally historically and in terms of its reception to understand what average moviegoers thought about the subject at the time of its popularity and grasp how the subject is perceived now through the lens of history Mexicanos, Third Edition Manuel G. Gonzales, 2019-06-05 Responding to shifts in the political and economic experiences of Mexicans in America this newly revised and expanded edition of Mexicanos provides a relevant and contemporary consideration of this vibrant community Emerging from the ruins of Aztec civilization and from centuries of Spanish contact with indigenous people Mexican culture followed the Spanish colonial frontier northward and put its distinctive mark on what became the southwestern United States Shaped by their Indian and Spanish ancestors deeply influenced by Catholicism and often struggling to respond to political and economic precarity Mexicans play an important role in US society even as the dominant Anglo culture strives to assimilate them With new maps updated appendixes and a new chapter providing an up to date consideration of the immigration debate centered on Mexican communities in the US this new edition of Mexicanos provides a thorough and balanced contribution to understanding Mexicans history and their vital importance to 21st century America *Film History Through Trade Journal Art, 1916-1920* Jeff Codori, 2020-03-31 The period in film history between the regimentation of the Edison Trust and the vertical integration of the Studio System roughly 1916 through 1920 was a time of structural and artistic experimentation for the American film industry As the nature of the industry was evolving society around it was changing as well arts politics and society were in a state of flux between old and new Before the major studios dominated the industry droves of smaller companies competed for the attention of the independent exhibitor their gateway to the movie goer Their arena was in the pages of the trade press and their weapons were their advertisements often bold and eye catching The reporting of the trade journals as they witnessed the evolution of the industry from its infancy towards the future is the basis of this history Pulled from the pages of the journals themselves as archived by the Media History Digital Library the observations of the trade
