Carter, 2022-10-13 Excerpt Nick Carter waited listening intently listening vainly with his desk telephone in his hand and the receiver at his ear Chick Carter the celebrated detective's chief assistant sat watching him noting each changing expression on his strong clean cut face and wondering what occasioned it It was about nine o'clock one evening in October and both detectives were seated in the library of Nick Carter's spacious residence in Madison Avenue Hello Nick now called quite sharply Hello No answer What's the trouble Chick inquired Don't you get a reply No Chick and that's not the worst of it Nick said quite gravely Why so What do you mean I heard my name called just as I removed the receiver from its hook Nick explained The voice sounded like that of a woman though I am not positive about it Then came a single sharp crack like the report of a revolver or as if the telephone had dropped from the speaker's hand and crashed upon the floor I suspect there is something wrong

A Fatal Message, or, Nick Carter's Slender Crew Nicholas Carter, 2021-08-30 Excerpt Nick Carter leaned nearer to the wall and listened to what the two men were discussing The wall was that of a booth in the caf of the Shelby House It was a partition of matched sheathing only through which ordinary conversation in the adjoining booth could be easily overheard and both men in this case spoke above an ordinary tone Obviously therefore they were discussing nothing of a private nature or anything thought to be of much importance or serious significance It meant no more to them in fact than it would have meant to most men to all save one in a million That one in a million was seated alone in the next booth Nick Carter The two men were strangers to the detective They had entered when he was near the end of his lunch and while waiting for their orders to be served they engaged in the conversation which though heard only by chance soon seriously impressed the detective You were a little later than usual this noon Belden said one Yes a few minutes Joe but I thought you would wait for me My ticker got busy just as I was about to leave I remained to take the dispatch Gordon and it proved to be quite a long one Something important Not very Only

political news for the local paper Belden evidently is a telegraph operator thought Nick Anything warm by wire this morning questioned Gordon No nothing said Belden and then he abruptly added There was a singular message however and an unusual circumstance in connection with it An Uncanny Revenge, or Nick Carter and the Mind Murderer Nick Carter, 2022-10-13 Excerpt The members of Nick Carter s household all happened to meet at the breakfast table that morning a rather unusual circumstance The famous New York detective sat at the head of the table Ranged about it were Chick Carter his leading assistant Patsy Garvan and the latter s young wife Adelina and Ida Jones Nick s beautiful woman assistant It was the latter who held the attention of her companions at that moment She was a little late and had just seated herself Her flushed cheeks and sparkling eyes gave no hint that she had reached the house they all shared the detective s hospitable roof a little after three o clock that morning You good people certainly missed a sensation last night she declared It was the strangest thing and one of the most pitiable I ever beheld Nick who had been glancing at his favorite newspaper looked up What do you mean he asked It was Ida s turn to show surprise Is it possible you don t know any of you she demanded looking around the table Haven t you read of Helga Lund s breakdown or whatever it was Helga Lund the great Swedish actress who was electrifying New York that season in a powerful play The Daughters of Men had consented in response to many requests to give a special midnight performance in order that the many actors and actresses in the city might have an opportunity to see her in her most successful r le at an hour which would not conflict with their own performances The date had been set for the night before and since it was not to be exclusively a performance for professionals the manager of the theater who was a friend of Nick Carter s had presented the detective with a box Nick Carter at the United States Treasury Nick Carter, 1895 **The Silent Passenger, Or, Nick Carter's Search for a Clew** Nick Carter, 1912 **The Suicide, or, Nick Carter and the lost Head** Nick Carter, 2022-10-13 Excerpt Slow down Danny and look out for that wire said Nick Carter to his chauffeur It may be a live one I m onto it chief Onto it eh Don t you run onto it while I m in the car not if it s a live one You may fancy absorbing the output of an electric lighting plant but not for mine Danny not for mine I know what it would do to me I ve seen men electrocuted Danny Maloney laughed for it was obvious that the famous detective was jesting Onto it with my lamps chief is what I meant he replied Say what you mean then said Nick with a smile Precision is one of the valuable assets of a detective Luckily however you are addressing one who can read between the lines barring those of the ambiguous letter that brought us out here Can t you fathom it It must be mighty blind chief if it fools you On the contrary Danny it is perfectly plain what there is of it said Nick dryly A woman one Mrs Myra Darling states that she is in great trouble that a very devoted friend of mine has advised her to appeal to me and will I favor her with a call at my earliest convenience That all questioned Danny tersely The whole business said Nick Of course the appeal coming from a woman I cannot turn it down Noblesse oblige You don t know her Not from a side of leather I am acquainted with no Darling woman suppress that smile Danny I know what you are thinking But all women are not darlings far from it This one might be said Danny his smile

spreading to a grin **The Traitors of the Tropics, or, Nick Carter's Royal Flush** Nick Carter, 2022-10-13 Excerpt You say he cannot travel to day doctor Impossible Mr Carter He would be in a drawing room on the Pullman and every care would be taken to make the journey easy for him The surgeon shook his head He would have his own servant Phillips to attend him persisted Nick Carter This is Prince Marcos you know Doctor Sloane You ve heard of him and I ve explained that it is essential for him to be in the country of which he is the ruler by the eighteenth of this month He has only five days now I am sorry but He could make it in the five days by continuous traveling still pressed the detective I realize that he would be taking some risk But when it is considered that the very existence of his country depends on his getting there by a certain date I doubt whether any one has the moral right to stop him Doctor Sloane shrugged his shoulders He was one of the distinguished surgeons in New York and he was accustomed to being obeyed Even a prince was not important enough in his eyes to dispute his professional commands
