**Night Without End** DP Fitzsimons, 2017-08-06 They left the dome in ashes The last survivors of The Eden Project had to leave the cursed planet behind venturing out beyond the reaches of the solar system into trillions of miles of uncharted space They drift silently across the never ending night hoping to one day reach the next star system and begin their hunt for New Earth Days they keep busy maintaining life support systems Nights they struggle to sleep It s always night in space and when their eyes are closed the beasts can still hunt them When Gen awakens from months in deep sleep she discovers that they are not alone out there in the dark and nightmares are far more terrifying when your eyes are open *Night Without End* D. P. Fitzsimons, 2013-05-27 They left the dome in ashes The last survivors of The Eden Project had to leave the cursed planet behind venturing out beyond the reaches of the solar system into trillions of miles of uncharted space They drift silently across the never ending night hoping to one day reach the next star system and begin their hunt for New Earth Days they keep busy maintaining life support systems Nights they struggle to sleep It s always night in space and when their eyes are closed the beasts can still hunt them When Gen awakens from months in deep sleep she discovers that they are not alone out there in the dark and nightmares are far more terrifying when your eyes are open **The Eden Project (Free**

**Post-Apocalyptic)** DP Fitzsimons, 2017-08-02 The world had fallen The mostly vacant cities were silent now For those who had not been turned or consumed remote locations proved the best chance to live a while longer before the inevitable end landed its teeth marks on their flesh or its disease in their blood To eat or be eaten was the last imperative of the once noble species All the accoutrements of being the most civilized of creatures had faded away and the human beast had been returned to the savagery of the primordial forest This was the truth everywhere in the world except one place a small island forgotten before and after the fall a place where the sun yet shined down onto hopeful souls 117 souls the children of the Eden Project who lived all their days until now in a great glass dome They were the children of light pure blooded uninfected but they all knew down to the smallest among them that these hours of eternal incandescence were numbered They all knew every moment they breathed that their destinies awaited them outside the glass where darkness forever reigned NIGHT
