Night Creatures Immortal Testimony Novels:

Night Creatures Jeremy Jordan King, 2013-12-01 It's 1981 and Bryant thinks his move to New York will be the beginning of a new life. But the men he meets are being threatened by a mysterious illness. Could transforming into a Night Creature save him and his loved ones from certain death? Book Two of *The Immortal Testimonies* travels back in time to the gay community's darkest days. Book two in *The Immortal Testimonies* series Immortal Stories: Eve Gene Doucette, From the pages of the Immortal book series it's Eve. If your next question is what could that possibly make me if I'm not an angel or a god? The answer is the same as what I said before: many have considered me a god and probably a few have thought of me as an angel. I'm neither if those positions are defined by any kind of supernatural magical power. True magic of that kind doesn't exist, but I can do things that may appear magic to someone slightly more tethered to their mortality. I'm a woman, and that's all. What may make me different from the next woman is that it's possible I'm the very first one. For most of humankind, the woman calling herself Eve has been nothing more than a shock of red hair glimpsed out of the corner of the eye in a crowd or from a great distance. She's been worshipped, feared, and hunted, but perhaps never understood. Now she's trying to reconnect with the world and finding that more challenging than anticipated. Can the oldest human on Earth rediscover her own humanity? Or will she decide the world isn't worth it.
