Epstein, 2013-08-22 One of the oldest monotheistic religions known to humankind Judaism has withstood the tests of time So what exactly are the tenets of this ancient faith that have been passed down over the millennia and how do they apply to our lives in the 21st century *The Basic Beliefs of Judaism* gives an updated overview of the belief system on which the Jewish faith is based Epstein takes a contemporary point of view looking at how the basic beliefs of Judaism fit into the lives of modern Jews He does this with an eye toward helping the reader form his her own understanding of Judaism The book touches upon beliefs relating to creation God and the cosmos as well as beliefs relating to day to day issues of family relations social interactions and ethics Epstein draws from the Torah the Talmud Jewish folklore and Jewish history to give the reader an understanding of how these beliefs were formed and have continued to evolve *Encyclopedia of Anthropology* H. James Birx, 2006 Focuses on physical social and applied athropology archaeology linguistics and symbolic communication Topics include hominid evolution primate behaviour genetics ancient civilizations cross cultural studies and social theories *Confronting Scandal* Dr. Erica Brown, 2011-03-03 We can battle insensitivity immorality and dishonesty in our lives individually and collectively as a people We have a wonderful road map in the Torah and its traditions It is time to think seriously about our reputation in the world and what we can do to enhance it not because we want to look good but because we want to be good from Chapter 6 What should we do when we see other Jews behaving badly Most Jews are good upstanding people who live by a strong moral code and follow Isaiah's words to be a light to others But when Jews in the public sphere make headlines for being caught in scandals their actions can provoke anger shame and a sense of betrayal in

the larger Jewish community In this insightful and timely book Jewish scholar Dr Erica Brown presents an intentional disciplined framework to explore the emotions provoked in the Jewish community by reports of Jews committing crime She proposes that we transform our sense of shame into actions that inspire and sustain a moral culture Drawing from the Hebrew Bible Talmud and our centuries long Jewish commitment to ethics she outlines ways you can activate and operate your personal moral compass and shows how you can empower yourself with sacred obligation responsibility kindness and knowledge to increase Jewish pride Andrea Carter and the Family Secret Susan K. Marlow, Even after dealing with escaped convicts and wild horses Andi isn t prepared for her latest surprise a sister she never knew she had *Friday Night and Beyond* Lori Palatnik,1998-12 San Francisco contractor Mel Turner is leading a volunteer home renovation project and while she expects lots of questions from her inexperienced crew she can t help asking a few of her own especially about the haunted house next door the place local kids call the Murder House But when volunteers discover a body while cleaning out a shed questions pile up faster than discarded lumber Mel notices signs of ghostly activity next door and she wonders Are the Murder House ghosts reaching out to her for help or has the house claimed another victim Now surprised to find herself as the SFPD s unofficial ghost consultant Mel must investigate murders both past and present before a spooky killer finishes another job Increasing Multicultural Understanding Don C. Locke,Deryl F. Bailey,2013-09-17 Increasing Multicultural Understanding Third Edition provides the necessary tools to foster positive and productive relationships among culturally diverse populations Authors Don C Locke and Deryl F Bailey encourage readers to explore their own cultural background and identity and in the process begin to better understand others A best seller in the first and second editions this revised and expanded third edition continues to present its classic framework for critical observation with at least 10 elements including the history of oppression religious practices family structure degree of acculturation poverty language and the arts racism and prejudice sociopolitical factors child rearing practices and values and attitudes *Three Perspectives: Jewish, Christian, and Muslim* Steven H. Propp,2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the

reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **The God I**

**Believe In** Joshua O. Haberman,2011-02-28 **Who Are the Jews--And Who Can We Become?** Donniel

Hartman,2023-11 2023 National Jewish Book Award Finalist in Modern Jewish Thought and Experience Who Are the Jews And Who Can We Become tackles perhaps the most urgent question facing the Jewish people today Given unprecedented denominational tribalism how can we Jews speak of ourselves in collective terms Crucially the way each of us tells our shared story is putting our collective identity at risk Donniel Hartman argues We need a new story built on Judaism s foundations and poised to inspire a majority of Jews to listen discuss and retell it This book is that story Since our beginnings Hartman explains the Jewish identity meta narrative has been a living synthesis of two competing religious covenants Genesis Judaism which defines Jewishness in terms of who one is and the group to which one belongs independent of what one does or believes and Exodus Judaism which grounds identity in terms of one s relationship with an aspirational system of values ideals beliefs commandments and behaviors When one narrative becomes too dominant Jewish collective identity becomes distorted Conversely when Genesis and Exodus interplay the sparks of a rich compelling identity are found Hartman deftly applies this Genesis Exodus meta narrative as a roadmap to addressing contemporary challenges including Diaspora Jewry s eroding relationship with Israel the othering of Israeli Palestinians interfaith marriage the Israeli Palestinian conflict and collectively who we Jews can become **The Rational Bible: Deuteronomy** Dennis Prager,2022-10-11 Is the Bible the

most influential book in world history still relevant Why do people dismiss it as being irrelevant irrational immoral or all of these things This explanation of the Book of Deuteronomy the fifth book of the Bible will demonstrate how it remains profoundly relevant both to the great issues of our day and to each individual life Do you doubt the existence of God because you think believing in God is irrational This book will cause you to reexamine your doubts The title of this commentary is The Rational Bible because its approach is entirely reason based The reader is never asked to accept anything on faith alone In Dennis Prager s words If something I write is not rational I have not done my job The Rational Bible is the fruit of Prager s forty years of teaching to people of every faith and no faith at all On virtually every page you will discover how the text relates to the contemporary world in general and to you on a personal level His goal to change your mind and as a result to change your life **The War for America's Soul** Sebastian Gorka,2019-10-08 Take it from someone who has been on the

inside who understands the fight we are currently in and who knows what must be done to save our country Dr Sebastian

Gorka's latest book *The War for America's Soul* leverages the former White House strategist's expertise driven by his determination to preserve what made America great in the first place. MARK LEVIN Our country is at war with itself. On one side are American patriots dedicated to freedom under the Constitution; on the other side are leftists campaigning not just to win elections but to radically transform the nation. In this political war for the soul of our country, America's patriots need a strategist with a blueprint for victory. Luckily, we have such a man in Dr. Sebastian Gorka, a former strategist for President Trump and now a nationally syndicated radio host and a fearless culture warrior. In his essential new book *The War for America's Soul*, Dr. Gorka shows how America's elite in both parties betrayed our heartland, sabotaged the American dream, and accepted national decline as inevitable. It took a candidate with remarkable vision, dauntless courage, and unbreakable determination to change the narrative. That man was Donald Trump. A candidate who owed no favors to special interests, Trump articulated a new American nationalism that has been an extraordinary force for economic and political renewal.

**Cold War Radio** Mark G. Pomar, 2022-10 *Cold War Radio* is a concise look at the history of Voice of America and Radio Free Europe, Radio Liberty, and their impact on the Soviet Union during the Cold War.

***A Code of Jewish Ethics: Volume 1*** Rabbi Joseph Telushkin, 2009-02-04 *A Code of Jewish Ethics: Volume 1* You Shall Be Holy is the initial volume of the first major code of Jewish ethics to be written in the English language. It is a monumental work on the vital topic of personal character and integrity by one of the premier Jewish scholars and thinkers of our time. With the stated purpose of restoring ethics to its central role in Judaism, Rabbi Joseph Telushkin offers hundreds of examples from the Torah, the Talmud, rabbinic commentaries, and contemporary stories to illustrate how ethical teachings can affect our daily behavior. The subjects dealt with are ones we all encounter. They include judging other people fairly, knowing when forgiveness is obligatory, optional, or forbidden, balancing humility and self-esteem, avoiding speech that shames others, restraining our impulses of envy, hatred, and revenge, valuing truth but knowing when lying is permitted, understanding why God is the ultimate basis of morality, and appreciating the great benefits of Torah study. Telushkin has arranged the book in the traditional style of Jewish codes, with topical chapters and numbered paragraphs. Statements of law are almost invariably followed by anecdotes illustrating how these principles have been or can be practiced in daily life. The book can be read straight through to provide a solid grounding in Jewish values, consulted as a reference when facing ethical dilemmas, or studied in a group. Vast in scope, this volume distills more than three thousand years of Jewish laws and suggestions on how to improve one's character and become more honest, decent, and just. It is a landmark work of scholarship that is sure to influence the lives of Jews for generations to come, rich with questions to ponder and discuss, but primarily a book to live by.

**The Book of Jewish Values** Rabbi Joseph Telushkin, 2011-06-01 Rabbi Joseph Telushkin combed the Bible, the Talmud, and the whole spectrum of Judaism's sacred writings to give us a manual on how to lead a decent, kind, and honest life in a morally complicated world. An absolutely superb book, the most practical, most comprehensive guide to Jewish values I know. Rabbi Harold Kushner, author of

When Bad Things Happen to Good People Telushkin speaks to the major ethical issues of our time issues that have of course been around since the beginning He offers one or two pages a day of pithy wise and easily accessible teachings designed to be put into immediate practice The range of the book is as broad as life itself The first trait to seek in a spouse Day 17 When if ever lying is permitted Days 71 73 Why acting cheerfully is a requirement not a choice Day 39 What children don't owe their parents Day 128 Whether Jews should donate their organs Day 290 An effective but expensive technique for curbing your anger Day 156 How to raise truthful children Day 298 What purchases are always forbidden Day 3 In addition Telushkin raises issues with ethical implications that may surprise you such as the need to tip those whom you don't see Day 109 the right thing to do when you hear an ambulance siren Day 1 and why wasting time is a sin Day 15 Whether he is telling us what Jewish tradition has to say about insider trading or about the relationship between employers and employees he provides fresh inspiration and clear guidance for every day of our lives

*Why the Jews?* Dennis Prager, Joseph Telushkin, 2007-11-01 From the bestselling authors of *The Nine Questions People Ask About Judaism* a compelling discussion of the dangerous rise in antisemitism during the twenty first century The very word Jew continues to arouse passions as does no other religious national or political name Why have Jews been the object of the most enduring and universal hatred in history Why did Hitler consider murdering Jews more important than winning World War II Why has the United Nations devoted more time to tiny Israel than to any other nation on earth In this seminal study Dennis Prager and Joseph Telushkin attempt to uncover and understand the roots of antisemitism from the ancient world to the Holocaust to the current crisis in the Middle East Why the Jews offers new insights and unparalleled perspectives on some of the most recent pressing developments in the contemporary world including The replicating of Nazi antisemitism in the Arab world The pervasive anti Zionism antisemitism on university campuses The rise of antisemitism in Europe Why the United States and Israel are linked in the minds of antisemites Clear persuasive and thought provoking Why the Jews is must reading for anyone who seeks to understand the unique role of the Jews in human history
