Nineteen God S Signature In Nature And Scripture Edip Yuksel:

Nineteen Edip Yuksel,2011-01 Code 19 was hidden in the 74th chapter of the Quran and discovered by the author s colleague Dr Rashad Khalifa an Egyptian American biochemist in 1974 The code suggests a Copernican revolution in theology of religions Instead of Krishna centered Jesus centered or Muhammad centered religions people must turn to the original center to the God centered model

Running Like Zebras Edip Yuksel,2012-01-19 This book contains numerous debates on the prophetic numerical system embedded ni the Quran Edip Y ksel responds and refutes critics and skeptics such as Abu Ameenah Bilal Philips Sunni scholar Carl Sagan astronomer astrophysicist cosmologist and skeptic author Daniel Abdurrahman Lomax Sunni computer engineer Ayman Mutaakher anonymous Sunni critic James Amazing Randi founder of Randi Foundation a skeptic activist Michael Shermer editor and publisher of the Skeptic Magazine author columnist The miraculous function of the number 19 prophesized in Chapter 74 was unveiled in 1974 through a computerized analysis of the Quran Though in retrospect the implication of 19 in Chapter 74 traditionally called Hidden One were obvious it remained a secret for 1406 19×74 lunar years after the revelation of the Quran Ironically the first words of the Chapter 74 The Hidden One was revealing yet the code was a divinely guarded gift allocated to the computer generation they were the one who would need and appreciate it the most As we have demonstrated in various books hundreds of simple and complex algorithms we witness the depth and breath of mathematical manipulation of Arabic an arbitrary human language to be profound and extraordinary This is the fulfillment of a Quranic challenge 17 88 While the meaning of the Quranic text and its literal excellence was kept all its units from chapters verses words to its letters were also assigned universally recognizable roles in creation of mathematical patterns Since its discovery the number 19 of the Quran and the Bible has increased the appreciation of many of those who acknowledge the truth has removed doubts in the minds of many People of the Book and has caused discord controversy and chaos among those who have traded the Quran with men made sectarian teachings This is indeed a fulfillment of a Quranic prophecy 74 30 31 14 The improbability and impossibility of the numerical structure of the Quran being produced by a medieval Arab genius becomes evident when we consider the following factors It includes simple elements of the Quran and goes deeper to an interlocking system of complex numerical patterns and relationships It involves not only frequencies of letters and words but also the numerical values of letters It involves not only an intricate numerical pattern but also a huge set of data consisting of units with multiple functions such as letters that are also digits words that are also numbers The nemeroliteral aspect of the Quran were not known by the adherents of the Quran until late 1960s and especially 1974 The literary aspect of the Quran has received praises from many literary giants throughout centuries The scientific accuracy of Quranic statements on various fields has been immaculate Muhammad was one of the busiest and greatest social and political reformists in human history The timing of the discovery of the code is precise and prophetic A series of prophetic events regarding the code has been fulfilled

Letters from God Lindsay Cole,2014-06-18

We must follow the direction of Jesus Christ who said Search the Scriptures for in them ye think ye have eternal life for they are they which testify of me John 5 39 Jesus knew the Scriptures must be searched in order to find the hidden things of God The writings of Moses and other prophets came together in 1611 A D in the center of the world in London England under the guidance of King James 1st The words of the New Testament were also directed by the Lord God and the OLD and the NEW Testaments together would become 1 Bible with 66 books The most mysterious verse of Scripture in the entire Bible is found in Revelation 13 18 where mankind has sought out its meaning since 1611 A D This verse of Scripture has been a mystery to every Biblical student since it was first written in 96 A D Its meaning is now explained in the book Letters From God and it will bring the truth of this Scripture to the minds of Spiritual men Soon the antichrist will appear on the earth where he will fight with the saints of God and prevail against them Daniel 7 25 He will have 42 months in which to do this He will change laws and times and will force everyone in the world to receive the Mark Of The Beast and he will sit on a throne in Jerusalem claiming that he is God Satan has taken many secret steps to arrange for himself to be recognized as an equal to Jesus Christ which is something he can never be The secret things Satan has done to prepare for his entry into the world as the antichrist are listed in this book and will astound those who have been watching for his emergence He will come from the most unexpected place carrying out the most secret underhanded plot ever in the history of the world The antichrist is the Great Deceiver and he will deceive many in the span of 42 months before he is defeated by Jesus Christ *God's Name, God's Nature* Jill Briscoe,1988-09 The Nature of God Graham Cooke,2003 **God's Book of Works** Robert J.
