Nice Man Jack A Jack The Ripper Novella:

Nice Man Jack David Franklin, 2015 **Jack the Ripper--Case Solved, 1891** J.J. Hainsworth, 2015-10-29 Is there anything new to be read about Jack the Ripper whose identity has been sought by countless Ripperologists for more than 120 years This book answers an emphatic Yes Drawing on recently discovered sources the author argues that the Ripper's identity was no mystery to the police in 1891 Police chief Sir Melville Macnaghten claimed to know the truth from private information but his source has remained unknown for more than a century Here the identity of Sir Melville's informer is revealed explaining why the Ripper was disguised as an insane surgeon for public consumption A number of photos are included some never before seen **Jack the Ripper & the London Press** L. Perry Curtis, 2020-08-11 Breaks new ground in its examination of the role of newspaper reporting during the police hunt for the first notorious serial killer Reviews in History Press coverage of the 1888 mutilation murders attributed to Jack the Ripper was of necessity filled with gaps and silences for the killer remained unknown and Victorian journalists had little experience reporting serial murders and sex crimes This engrossing book examines how fourteen London newspapers dailies and weeklies highbrow and lowbrow presented the Ripper news in the process revealing much about the social political and sexual anxieties of late Victorian Britain and the role of journalists in reinforcing social norms L Perry Curtis surveys the mass newspaper culture of the era delving into the nature of sensationalism and the conventions of domestic murder news Analyzing the fourteen newspapers two of which emanated from the East End where the murders took place he shows how journalists played on the fears of readers about law and order by dwelling on lethal violence rather than sex offering gruesome details about knife injuries but often withholding some of the more intimate details of the pelvic mutilations He also considers how the Ripper news affected public perceptions of social conditions in Whitechapel The apparently motiveless violence of the Whitechapel killings denied journalists a structure and it is the resulting creativity in news reporting that L Perry Curtis Jr describes His impressive book makes a genuine contribution to 19th century history in a way that books addressing the banal question of the identity of the Ripper do not The Guardian **Becoming the Dark Prince: A Stalking Jack the Ripper Novella** Kerri Maniscalco, 2019-07-15 In this irresistibly priced short story catch a glimpse of the inner struggles and triumphs that drive Stalking Jack the Ripper's endearing but troubled hero Enigmatic brooding and darkly handsome Thomas Cresswell has always been the one mystery Audrey Rose has never been able to fully solve As brilliant partners in crime investigation they understand each other perfectly but as young lovers their passionate natures have led to both euphoria and heartbreak throughout the Stalking Jack the Ripper series This novella features a collection of scenes that takes place during and after the pair's horrifying Atlantic voyage in Escaping From Houdini Experience new and familiar scenes from Thomas's unique point of view including an intensely personal look into his plea for Audrey Rose's hand in marriage With a romance for the ages Audrey Rose and Thomas reach the conclusion to their epic irresistible partnership in their final adventure Capturing the Devil The
