Hunter Davies,2014-08-28 Ivy Dulcie Barbara Ann Dorothy and Jean all had different reasons for applying to work at Carr s biscuits but once they had put on their overalls and walked through the factory gates they discovered a community full of life laughter and friendship To those who didn t know the biscuit factory that towered over Carlisle might look like just another slice of the industrial North a noisy and chaotic place with workers trooping in and out at all hours For the biscuit girls it was a place where they worked hard but also where they gossiped got into scrapes and made lifelong friends Outside the factory walls there might be difficult husbands or demanding kids and sometimes even heartbreak and tragedy but they knew there would always be an escape from their troubles at Carr s Some like Barbara only applied because she needed the extra cash until things got a bit easier at home Her supervisor cross examined her about who would be looking after the kids while she was at work but let her have the job Like many of the women who joined up temporary Barbara went on to stay at Carrs for 32 years Beginning in the 1940s these heartwarming and vividly remembered stories have all been told by the women themselves to Hunter Davies

**Nice Cup of Tea and a Sit Down Hb Signed** Nicey,Wifey,2004-10-21 *Deception* Denise Mina,2007-09-03 Things like this don t happen to people like us That s what Lachlan Harriot thinks as he watches his wife Susie led to jail in handcuffs Yes Susie a psychologist was found covered in blood near the spot where one of her clients appears to have been murdered But Susie is not a killer Lachlan thinks She s my wife She s our child s mother Secrets lurk behind closed doors however a dark truth made chillingly clear as Lachlan s efforts to prove Susie s innocence uncover an entire secret history illicit affairs false identities unimaginable deception and this brilliantly acclaimed page turning novel speeds toward a conclusion as shocking as it is ingenious

*Dessert* Jeri Quinzio,2018-08-15 Let s face it roast beef and potatoes are all well and good but for many of us when it comes to gustatory delight we re all about dessert Whether it s a homemade strawberry shortcake in summer or a chef s complex medley of sweets dessert is the perfect finale to a meal Most of us have a favorite even those who seldom indulge After all sweet is one of the basic flavors and one we seem hardwired to

love Yet as Jeri Quinzio reveals while everyone has a taste for sweetness not every culture enjoys a dessert course at the end of the meal And desserts as we know them the light sponge cakes of The Great British Baking Show the ice creams the steamed plum puddings are neither as old nor as ubiquitous as many of us believe Tracing the history of desserts and the way they and the course itself have evolved over time Quinzio begins before dessert was a separate course when sweets and savories were mixed on the table and concludes in the present when homey desserts are enjoying a revival and as molecular gastronomists are creating desserts an alchemist would envy An indulgent mouth wateringly illustrated read featuring recipes texts from chefs writers and diarists and extracts not the vanilla or almond variety from cookbooks menus newspapers and magazines Dessert is a delectable happy ending for anyone with a curious mind and an incorrigible sweet tooth

*Food Britannia* Andrew Webb,2012-08-31 British food has not traditionally been regarded as one of the world s great cuisines and yet Stilton cheese Scottish raspberries Goosnargh duck and Welsh lamb are internationally renowned and celebrated And then there are all those dishes and recipes that inspire passionate loyalty among the initiated Whitby lemon buns and banoffi pie for example pan haggerty and Henderson s relish All are as integral a part of the country s landscape as green fields rolling hills and rocky coastline In *Food Britannia* Andrew Webb travels the country to bring together a treasury of regional dishes traditional recipes outstanding ingredients and heroic local producers He investigates the history of saffron farming in the UK tastes the first whisky to be produced in Wales for one hundred years and tracks down the New Forest s foremost expert on wild mushrooms And along the way he uncovers some historical surprises about our national cuisine Did you know for example that the method for making clotted cream that stalwart of the cream tea was probably introduced from the Middle East Or that our very own fish and chips may have started life as a Jewish Portuguese dish Or that Alfred Bird invented his famous custard powder because his wife couldn t eat eggs The result is a rich and kaleidoscopic survey of a remarkably vibrant food scene steeped in history but full of fresh ideas for the future proof if proof were needed that British food has come of age
