Nigerian Airforce Interview Question:

Minority Rights and the National Question in Nigeria Uyilawa Usuanlele, Bonny Ibhawoh, 2017-03-18 This book offers a thematic study of key debates in the history of the ethnic politics democratic governance and minority rights in Nigeria Nigeria provides a framework for examining the central paradox in post colonial nation building projects in Africa the tension between majority rule and minority rights The liberal democratic model on which most African states were founded at independence from colonial rule and to which they continue to aspire is founded on majority rule It is also founded on the protection of the rights of minority groups to political participation social inclusion and economic resources Maintaining this tenuous balance between majority rule and minority rights has in the decades since independence become the key national question in many African countries perhaps none more so than Nigeria This volume explores these issues focusing on four key themes as they relate to minority rights in Nigeria ethnic and religious identities nationalism and federalism political crises and armed conflicts AF Press Clips , 1978-07 Global Perspectives on Military Entrepreneurship and Innovation Ojo, Sanya, 2021-02-19 Like other organizations across the world military establishments apply the concept of entrepreneurship to day to day activities However literature on the topic runs thin creating a gap in the research on this area of military involvement in entrepreneurship These studies focus heavily on three topics ex military officers in entrepreneurship entrepreneurial minded individuals still in the military and military spouses as successful entrepreneurs It is essential that researchers interrogate these three areas across different locational contexts for a clear representation and understanding of the many forms of military entrepreneurship This research focuses on outcomes the entrepreneurial process economic activities and ontological directions Military entrepreneurship is cross cultural spans varied locations and is linked to retired retiring serving military personnel and military spouses Global Perspectives on Military Entrepreneurship and Innovation builds on existing theoretical and empirical studies in the areas of entrepreneurship and military business and enterprise to interrogate the concepts of military entrepreneurship veteran entrepreneurship military spouse entrepreneurship or military women entrepreneurship and retirees entrepreneurship The book is a collection of studies on military entrepreneurship treating the subject with emphasis on metacognition and interrogates differences in metacognitive processing across cultures and values relating to military entrepreneurship The chapters cover various concepts in military entrepreneurship and promote entrepreneurship research within the military ecosystem This book is ideal for military personnel entrepreneurs managers practitioners researchers academicians and students interested in the concept of military entrepreneurship and innovation narratives "Eat the Heart of the Infidel" Andrew Walker, 2018-04-01 Boko Haram s appetite for violence and kidnapping women has thrust them to the top of the global news agenda In a few years they all but severed parts of Nigeria Africa s most populous state and largest economy from the hands of the government When Boko Haram speaks the world sees a grimacing ranting demagogue who taunts viewers claiming he will eat the heart of the

infidels and calling on Nigerians to reject their corrupt democracy and return to a pure form of Islam Thousands have been slaughtered in their campaign of purification which has evolved through a five year bloody civil war Civilians are trapped between the militants and the military and feel preyed upon by both Boko Haram did not emerge fully formed In Northern Nigeria which has witnessed many caliphates in the past radical ideas flourish and strange sects are common For decades Nigeria s politicians and oligarchs fed on the resources of a state buoyed by oil and turned public institutions into spoons for the pot When the going was good it didn t matter But now a new ravenous force threatens Nigeria *French Foreign Policy*,1967

Counter-Insurgency in Nigeria Akali Omeni,2017-09-08 This book offers a detailed examination of the counter insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017 Based on extensive fieldwork conducted with military units in Nigeria Counter Insurgency in Nigeria has two main aims First it seeks to provide an understanding of the Nigerian military s internal role a role that today as a result of internal threats pivots towards counter insurgency The book illustrates how organizational culture historical experience institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents specifically plans and operations between June 2011 and April 2017 Within this second theme emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force recalibrated themselves for COIN warfare A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram and this book aims to disperse that veil of secrecy Furthermore the work s analysis of the air force s role in counter insurgency is unprecedented within the literature on military warfare in Nigeria This book will be of great interest to students of military studies counter insurgency counter terrorism African politics and security studies in general

The International Politics of the Nigerian Civil War, 1967-1970 John J. Stremlau,2015-03-08 Biafra s declaration of independence on May 30 1967 precipitated a civil war with important implications for the territorial integrity of all newly independent African states Allegations of genocide commanded the world s attention and brought forth unprecedented humanitarian intervention This full account of the internationalization of that conflict draws on hitherto confidential records and more than two hundred interviews with foreign policymakers including Yakubu Gowon and C Odumegwu Ojukwu Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency,1969 **Like Water on Stone** Jonathan Power,2001 Published in Amnesty International

Monitoring Service,1973 **Nigeria** ,1996 African Concord ,1989 **Managing Violent Religious Extremism in Fragile States** Abosede Omowumi Babatunde,Mahfouz A. Adedimeji,Shittu Raji,Jacinta Mwende Maweu,John Mwangi Githigaro,2021-09-30 This book examines how African states can build the institutional capacity to better prevent manage and cope with the new security challenges posed by violent religious extremism Despite the evidence that violent religious extremism is exacerbated by underlying social political economic and governance factors many states have focused their efforts only on reactive and coercive response strategies overlooking more long term measures This comparative study of Nigeria and Kenya reflects on why insurgency in Kenya has not escalated to full blown terrorism as it has with Boko Haram in Nigeria in spite of the similarities in relatively weak institutions of governance and colonial legacies across the two countries The book interrogates the policy and institutional responses that have been put in place in both countries to address security challenges and the extent of their efficacy in light of the intricate networks of politics governance corruption poverty and violence and the relative fragility of state institutions The authors highlight the areas of convergence and divergence in institutional capacities and recommend policies to enhance the capacity of institutions to manage violent religious extremism This book will be of interest to scholars of African Politics Security Peace Studies and Terrorism **Sub-Saharan Africa Report** ,1985 **The News** ,2002 Africa Research Bulletin ,1977 Corruption Risks in Nigeria'S Defence and Security Establishments Jude Uddoh Ph.D.,2016-02-05 This work attempts to assess corruption risks in five key areas of Nigerias defence and security establishments namely political financial personnel operations and procurement Using a simple and straightforward question and answer format the assessment draws from interviews with key players in the industry as well as from secondary sources The scope of the work includes the last few years of President Goodluck Jonathans administration and the threshold of the administration of President Muhammadu Buharia truly epochal period in the history of Nigerias fight against corruption but also reflects policy gaps inherent in the transition in government The work contributes to an area of literature which is both scanty and characterized by much secrecy It is hoped therefore that this contribution will not only stimulate more frank and open discussion on the subject of corruption risks in Nigerias defence and security sector but would also act as both a template and benchmark on which policy makers can embark on genuine and meaningful reforms The Top of the News with Fulton Lewis III. ,1968
