#### Quotations to Consider

"Man comes closer to God through the questions he asks Him, he liked to say. Therein lies true dialogue. Man asks and God replies. But we don't understand His replies. We cannot understand them. Because they dwell in the depths of our souls and remain there until we die. The real answers, Eliezer, you will find only within yourself." (Wiesel 5)

"Moshé was not the same. The joy in his eyes was gone. He no longer sang. He no longer mentioned either God or Kabbalah. He spoke only of what he had seen. But people not only refused to believe his tales, they refused to listen. Some even insinuated that he only wanted their pity; that he was imagining things. Others flatly said that he had gone mad." (Wiesel 7)

"Still, our first impressions of the Germans were rather reassuring. The officers were billeted in private homes, even in Jewish homes. Their attitude toward their hosts was distant but polite." (Wiesel 9)

Abraham Kuruvilla's *A Vision for Preaching* offered an integrated biblical and theological vision for preaching. *A Manual for Preaching* addresses the practical and perennial issue of how to move from the biblical text to an effective sermon. The author, a well-respected teacher of preachers, shows how to discern the text's theological meaning and let that meaning shape the development of the sermon. [Social Justice Literacies in the English Classroom](#) Ashley S. Boyd, 2017-09-29 This timely book focuses on different social justice pedagogies and how they can work within standards and district mandates in a variety of English language arts classrooms. Boyd offers a comprehensive model for taking social action with youth that also considers the obstacles teachers are likely to encounter. Presenting the case for more equity-oriented teaching, this rich resource examines the benefits of engaging students with critical pedagogies and provides concrete methods for doing so. Written for both pre and inservice teachers, the text includes adaptable teaching models and tested ideas for preparing to teach for social justice. **Book Features:** Conceptualizes social justice as a set of literacies that can be learned and cultivated. Depicts social action projects being used to meet Common Core State Standards. Illustrates how social justice happens in small moments, both those that are planned and those that arise spontaneously.
