evangelicals This charisma Schuurman argues is not just the power of one individual it is a dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith Next William Vanderbloemen, Warren Bird, 2020-04-21 Packed with new research new interviews and practical solutions this updated and expanded edition of Next will equip pastors ministry teams and Christian organizations to navigate leadership changes with wisdom and grace While there is no simple one size fits all solution to the puzzle of planning for a seamless pastoral succession Next offers church leaders and pastors a guide to asking the right questions in order to plan for the future Vanderbloemen founder of a leading pastoral search firm and Bird an award winning writer and researcher share insider stories of succession failures and successes in dozens of churches including some of the nation s most influential The authors demystify successful pastoral succession and help you prepare for an even brighter future for your ministry Includes a foreword by John Ortberg and an introduction by Eric Geiger and Kenton Beshore
