Passionate Spirituality John T. Collins, 2008-10 Like any other relationship our relationship with God must grow to survive yet many Christians just go through the motions spiritually Passionate Spirituality is a call for lukewarm Christians to dive deeper in their relationship with God incorporating biblical principles into our daily lives John T Collins explores five different facets of our Christian life that when developed and strengthened can have a lasting impact on our relationship with God When we cultivate grace growth assembling in groups giftedness and good stewardship the effects will not only be felt in our personal walk with God but also in the world around us as we reach out into the church and the community With discussion questions following each chapter this book is ideal for both small group study and personal reflection for Christians who want to take hold of their identity as children of God *Passionate Spirituality* Elizabeth Dreyer, 2005 Passionate Spirituality explores the roots and meanings of passion in Western culture and then examines how passion is expressed in the works of two medieval women mystics Hildegard of Bingen and Hadewijch of Brabant and in the lives of contemporary Christians seeking to deepen their own spiritual journeys Too often the term passion is associated only with steamy films sexual sin and emotional excess cutting off the breadth of its meaning and expression for positive good But the great mystics succeed precisely because they hold together both the affective and the intellectual aspects of the spiritual life in creative and convincing ways Their accounts of their mystical experience are important resources for information and understanding about how to talk about God more formally and for what it means to be passionately in love with God and the world BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Passion** Jeff Lucas, 2021-09-01 What are you passionate about Football Your family Your job Your car Your hobby And how does that passion show itself What about your spirituality are you passionate about your faith What does that mean What are the passion killers in your walk with God In a thoughtful and measured set of notes Jeff Lucas explores the topic of spiritual passion He shows how it does not necessarily have anything to do with emotion but everything to do with commitment reliability and obedience Along the way he describes what passion meant to Jesus and to Paul and how that might affect what it means to us today He shares the upsides and the downsides the joys and the dangers and how passion can transform us

Handbook of Spirituality for Ministers Vol. 2 Robert J. Wicks, 2000 British Literature and Spirituality Franz Karl Wöhrer, John S. Bak, 2013 This book reflects the current state of research in the field of the spiritual in British literature where spirituality is understood as a culturally determined universal phenomenon or a factuality of humanity consisting of the living apprehension of the Sacred during rare gratuitous moments of illumination With critical essays by scholars working in various disciplines English studies music the arts psychology theology etc the book explores a corpus of encoded narratives of as well as reflections on the Sacred in British literature from the Late Middle Ages to the present Multi disciplinary in nature and interdisciplinary in method British Literature and Spirituality illustrates the hermeneutic potential

of readings that transcend the disciplinary boundaries of spiritual writings Series Austria Forschung und Wissenschaft Literatur und Sprachwissenschaft Austria Research and Science Literature and Linguistics Vol 24 **The Divine Embrace (Ancient-Future)** Robert E. Webber,2006-10-01 One of the most popular current views on spirituality is that there are varied paths to God In this new Ancient Future series book Bob Webber evaluates this common misunderstanding of spirituality as separated from God s story extremely self focused and shaped by our surrounding culture This challenging work offers a corrective calling us to an alternative Christian spirituality one that reveals two sides that of God s divine embrace of us and our passionate response The Divine Embrace is a fresh grounded look at true spirituality that will be embraced by pastors thinking Christians and anyone looking for an engaging and thorough treatment of this topic *Soul Celebrations and Spiritual Snacks* Alexandra York,2019-11-18 This guidebook on secular spirituality will appeal to both religious and nonreligious people Basing its premises in values and everyone has values it offers broad avenues and private paths to achieve sustained empowering exalted and expanding Soul Celebration experiences singular for every individual because each person s value system is exclusively theirs alone It also offers shorter simpler Spiritual Snacks to provide instantly available delectable bits of spiritual nourishment for spur of the moment joyful experiences of being uniquely alive in today s impersonal world Our essential value center defines our distinctive personhood This interior core can be activated by external stimuli into experiences of sustained secular spiritual bliss that celebrate our one and only inimitable personhood How By connecting to and uniting becoming One with three other here on earth entities that can stimulate our value center both emotionally and physically nature art and romantically beloved humans These three alone can open gateways that lead to the highest renewal of the essence the soul of Selfhood in a secular manner By learning to approach the wonders of the physical universe selectively we can experience a merging with chosen aspects of nature and come away with a glorious sense of having participated in eternity A museum stroll a novel and music may turn into exhilarating experiences because art at its best expresses ideas that make manifest in external material form the artists values If they match our own we may feel elevated to the point of experiencing the art aesthetically and spiritually Romantic love with its sexual component is the ultimate secular spiritual experience because the most desirable and cherished human being is a living embodiment of our supreme values making this mind body union the most sacred of all Plus happily along with the three primaries families and friends are rewarding subcategories for sharing marvelous spiritual like experiences The Word and Power Church Douglas Banister,2009-09-03 You don t have to head overseas to find a war In the church the rhetorical cross fire between evangelical and spirit filled Christians over the past hundred years has been withering No scriptural foundations is the charge evangelicals have leveled at the charismatics No spiritual power the latter have countered The boundaries are clear The positions are taken and guarded Either you re a Word person or a Power person Today though such black and white either or thinking is giving way to the liberty and promise of a Word and Power church Pastor Doug Banister shows why we

cannot afford to settle for less It s time to bury our differences which are largely artificial and discover the incredible potential that arises when evangelicals combine their strengths with Pentecostals and charismatics Taking a long careful and honest look at the Scriptures at church history and at the state of the church and the world today Pastor Banister reveals why Pentecostalism and evangelicalism need each other Each tradition possesses strengths that are essential to a balanced life changing faith The Word and Power Church shows how these two mighty rivers add to rather than subtract from each other At the cusp of a new millennium they are in fact merging into one river Word and Power churches may experiences turbulence where the waters meet but they teem with life hope faith and power to reach a desperate world with the Gospel Filled with personal anecdotes this fascinating thought provoking and candid book supplies the why tos and how tos of a Word and Power approach What you won t find is preferential treatment of one view over another What you will find are thoughtful biblical insights that will challenge you and inspire you And you ll discover practical guidance for charting your own course whether as an individual or as a church toward a faith that embraces the truth of the Word and the power of the Spirit As a solidly evangelical seminary graduate and pastor Banister admits to having disdained charismatics That is until meticulous study of God s Word convinced him that miraculous gifts of tongues healing and prophecy are indeed valid for today As he details his journey beyond categories Banister explores the reasons for the age old rift between the two camps and the ways in which healing is taking place in new Word and Power churches all over America When evangelicals and charismatics bring together the best from each tradition he has discovered that the result is a strong unified body Word and Power churches affirm the authority of Scripture and encourage the propheticembrace of those who pray in a spiritual language pursue obedience to Christ edify the believer and evangelize the seeker heal the sick and comfort the suffering The Word and Power Church will speak to Christians everywhere who want to walk in both the integrity of Scripture and the power of the Holy Spirit

Biblical Pastors Were Not and Are Not Ceos. James D. Martin,2020-06-02 The emergence of the pastor Chief Executive Officer CEO position in churches today has become widely acceptable in Mega and Meta churches Recent studies have not explored this issue David Fisher acknowledges that in the 21st century being a pastor presents major challenges because it leads to professional and personal identity crisis resulting from secular and ecclesial challenges Studies have supported the idea that there is the need for church leaders to adopt the secular models of leadership and several noted authors have shown that churches today have become like other organizations that have to market their products This is a problematic interpretation because leadership in modern churches has gone beyond the biblical and theological definitions of becoming shepherds of their flock and servants of God In the search for an effective pastoral leadership role this paper will explore the contemporary definition of pastoral leadership and compare it with what the scriptures say concerning the elders and servants of God assigned the duty of being shepherds of their flock

Passionate Church **Sexuality and Islamic Spirituality in Early Malay Writings** Maznah Mohamad,Syahirah Rasheed,2025-07-24 It is argued here that before the extensive formalization of sharia laws from the late nineteenth century onwards Islam was prominently influenced by elements of enchantment and mysticism mirrored in its textual portrayal of passionate and sexual relations This book s analysis is based on Malay manuscripts and texts about the body sex and sexuality These include religious guidebooks on sexual techniques and etiquette of which some are translated from the original Arabic or Persian but almost all of which have been adapted for local Malay relevance Also analyzed are collections of Malay erotic poetry from the sixteenth to nineteenth centuries and the only known female authored early twentieth century text on sex and women s sexual pleasure Over the centuries changing sexual norms and attitudes in the Malay world has disengaged sex and sexuality from being a crucial component of faith and spirituality gradually receding into the discreet margins of contemporary discourse on gender relations **Beyond Maintenance to Mission** Craig L. Nesson,2010-02-24

Here in a newly revised edition is a powerful and pertinent guide for congregations wanting to move away from maintenance thinking to powerful creative engagement with the world Visionary yet practical Nesson s influential book makes a persuasive case for the centrality of mission in the life of the church Nesson s model of mission driven leadership is strongly centered on the community of faith s worship and draws unique connections between the worship life of a congregation and every aspect of the church s ministry Around the twin foci of congregational identity and mission the chapters in this dynamic book provide solid theological and radical direction on the themes of worship education fellowship stewardship evangelism global connections and social ministry Equally pertinent to seminary classroom and parish life the new edition highlights worship s centrality adds a new chapter on prayer and spiritual practices in this framework significantly revises the treatments of fellowship and evangelism and adds a full set of materials designed for congregational visioning and planning

Creative Spirituality Robert Wuthnow,2001-03-13 In a provocative book that explores the fascinating link between the creative and the sacred Robert Wuthnow claims that artists have become the spiritual vanguard of our time Drawing on in

depth interviews with painters sculptors writers singers dancers and actors Wuthnow includes the spiritual insights of accomplished artists who have gained prominence as Broadway performers gospel singers jazz musicians poets Native American painters weavers dancers and installation artists He profiles such national figures as novelist Madeleine L. Engle playwright Tony Kushner photographer Andres Serrano sculptor Greg Wyatt dancer Carla DeSola and woodcarver David Ellsworth Situating these artists' reflections in the context of wider cultural ferment Wuthnow argues that spirituality is coming increasingly to focus on the inherently ineffable character of the sacred what artists refer to as divine mystery As growing numbers of Americans doubt the adequacy of religious creeds in defining the sacred they are turning to artists who seek a more intuitive sense of the sacred through symbols and imagery These artists provide rich insights into the social and cultural problems of our time Many have been shaped by the growing ethnic racial and religious diversity of the United States Many are at the cutting edge of new thinking about body mind and spirit and many are seeking ways to integrate their understandings of spirituality with interests in nature and preserving the environment For readers interested in exploring contemporary spirituality or engaged in spiritual pursuits of their own this engaging elegantly written and erudite book will answer many questions about the changing moral and spiritual role of creativity and the arts
