became the costliest and by far most controversial manhunt and most sensational trial in Canada's history. Now the full shocking story considered too grisly for newspaper and television coverage at the time can finally be told. Includes eight pages of photos. The Enigma of a Violent Woman Jennifer Kilty, Sylvie Frigon, 2016-04-14. Karla Homolka has proven to be a figure of enduring interest to the public and media for the last 20 years. However, despite the widespread Canadian and international public commentary and media frenzy that has encircled this case, Homolka herself remains an enigma to most who write about her. In contrast to much of the contemporary discussion on this case, this book offers a comprehensive and detailed examination of the legal, public and media understandings and explanations of Homolka's criminality. Drawing from multiple fields of study and varied bodies of critical literature, the book uses Homolka as an object lesson to interrogate some of the narratives and conceptualizations of violent women, the problematic normative constructions of womanhood and acceptable femininity, leniency in sentencing, taboo and disgust, and questions of remorse. The authors address broad questions about how women convicted of violence are typically constructed across four sites: the courts, the academy, the mainstream media, and public discourse. This unique text is extremely important for feminist criminology and socio-legal studies, offering the first comprehensive academic effort to engage in dialogue about this important and fascinating case.

Deadly Innocence Scott Burnside, Alan Cairns, 2008-10-22. Karla and Paul seemed like the picture perfect newlyweds but were really a pair of vicious killers who abducted, sexually tortured and murdered innocent schoolgirls, videotaping their evil acts in suburban Niagara Falls. Billed as the crime of the century in Canada, this case has received a great deal of media coverage on both sides of the border. Includes eight pages of photos. **Karla** Stephen Williams, 2010-05-14. People want me in jail so my life will be hard but it really isn't. There are absolutely no responsibilities here. Everything is provided. We can spend the day sleeping, sun tanning or doing whatever we want all day every day. Karla Homolka, in a letter to author Stephen Williams. Well, they say, 'Never say never' and they're right. Karla wrote in her startling first letter to Stephen Williams: 'Never in a million years did I think I would ever write a letter to someone from the media, let alone you who has condemned me so harshly.' Thus began one of the most controversial correspondences in Canadian history. Karla picks up where Williams's first book on the case, *Invisible Darkness*, left her painting her nails in her cell in solitary confinement in the gothic tower of Kingston's Prison for Women. After testifying against her ex-husband in 1995, Karla's life in prison was soon going to take a very different dramatic turn. With a thriller's pace, *Karla: A Pact with the Devil* charts the inner life of the world's most notorious female prisoner. In *Karla*, Williams lets Karla and the other key players speak for themselves. And what they have to say will surprise, horrify and enlighten. *Invisible Darkness* Stephen Williams, 1996-11-07. In January 1993, Karla Teale called the police out to her home in a quiet Canadian suburb. There, she confessed to the horrific killings with her husband of two teenage girls. She and her husband appeared to be the perfect couple but in fact were vicious killers. **The Sex Slave Murders True Crime Bundle: Serial Killers Gerald & Charlene Gallego, Fred & Rosemary West, Leonard Lake &**
