Baseball in the Garden of Eden John Thorn, 2012-03-20 Think you know how the game of baseball began Think again Forget Abner Doubleday and Cooperstown Did baseball even have a father or did it just evolve from other bat and ball games John Thorn baseball's preeminent historian examines the creation story of the game and finds it all to be a gigantic lie From its earliest days baseball was a vehicle for gambling a proxy form of class warfare Thorn traces the rise of the New York version of the game over other variations popular in Massachusetts and Philadelphia He shows how the sport's increasing popularity in the early decades of the nineteenth century mirrored the migration of young men from farms and small towns to cities especially New York Full of heroes scoundrels and dupes this book tells the story of nineteenth century America a land of opportunity and limitation of glory and greed all present in the wondrous alloy that is our nation and its pastime From publisher description

by radical journalist and former Black Panther JoNina Abron Ervin *Driven by the Movement* collects the stories of twenty ordinary people who did extraordinary things for the Black liberation struggle during the pivotal decade of 1965-1975. These activists came from across the US and all walks of life: single working mothers, clergy, students, teachers, military veterans, to organize against police brutality, poverty, hunger, substandard schools, and colonialism in Africa. Drawing from her own experience at the heart of the movement, JoNina Abron Ervin's on-the-ground reporting offers a rare look into the pragmatism, optimism, compromise, and contradiction, and the everyday acts of dedication that animated the Black Power era. This new edition includes expanded material on the history of the Black Panther newspaper as a source of mass political education, and on the Black Panther Party's legendary survival programs such as its Free Breakfast for Children and healthcare programs. A foreword by writer and organizer William C. Anderson connects two torchbearers of the Black radical tradition across generations.
