Night's Kiss Mary Hughes, 2019-11-18 When I was young I watched helplessly as vampires killed my parents. Now I'm out for revenge hunting vamps on the streets every night. I have only my wits, my skills, my weapons, and a whole lotta rage. But being human means I am vulnerable. Still, that won't stop me from destroying every last one of the evil bastards. And now it's time for me to take on the worst one of them all: their king. Only I'll need help from the one and only person who can help me locate the king. Achingly tall, a devilish arch to his black eyebrows, and far too sexy for his own good, Ryker is gorgeous enough to be the vamp king himself. But being out in the daylight and a white unfangy grin say human right. We'll have to work together as uneasy allies if I hope to get my final revenge. But we're not the only ones out for the king, and they all want us dead too. Which leaves one question: why can't any of us find the vampire king? Each book in the Ancients series is STANDALONE. *Night's Caress*, *Night's Kiss*, *Night's Bliss*.

Night's Bliss Mary Hughes, 2021-11-15 I could never trust a vampire. Ever. It wasn't enough that vampires killed my parents and left me for dead. Nope, they also left me with this searing fear of every one of their kind. But when someone I care about grows sick from poison, I have no choice but to infiltrate a Romanian castle filled with pissy evil vampires in search of the antidote. And my only saving grace is that for some reason I can do things other humans can't. Unfortunately, I also seem to be the perfect bait for the Vampire King. Kai Elias. More than seven feet of dark, wicked charisma, ancient eyes, and a body that holds more power and raw animal sexuality than I can resist. But there's something about Elias that looks painfully terrifyingly familiar. Now I am in over my head, and my heart. And my only choice is to trust this dark, charismatic creature or die.

Bite My Fire Mary Hughes, 2017-07-31 Elena O'Rourke packs a gun and an attitude. The gun because she's a cop. The attitude? Let's just say her love life has been sorely lacking. But she'll be damned if apartment manager Bo Strongwell is going to be the guy to turn that around, despite his Viking warrior vibe, cannonball muscles, and black satin voice. Because Bo's the biggest suspect in her murder investigation. Master vampire Bo Strongwell needs a cop snooping around like he needs a garlic body wash. Fighting rogue vampires keeps him busy enough without Elena suspecting him of murder, even if she smells and tastes like his deepest
