## **Passionate Declarations Essays On War And Justice:**

*Passionate Declarations* Howard Zinn, 2003-06-17 From the bestselling author of *A People's History of the United States* comes this selection of passionate honest and piercing essays looking at American political ideology Howard Zinn brings to *Passionate Declarations* the same astringent style and provocative point of view that led more than a million people to buy his book *A People's History of the United States* He directs his critique here to what he calls American orthodoxies that set of beliefs guardians of our culture consider sacrosanct justifications for war cynicism about human nature and violence pride in our economic system certainty of our freedom of speech romanticization of representative government confidence in our system of justice Those orthodoxies he believes have a chilling effect on our capacity to think independently and to become active citizens in the long struggle for peace and justice *Agitation with a Smile* Stephen Bird, Adam Silver, Joshua C.

Yesnowitz, 2015-11-17 *Agitation with a Smile* offers a reappraisal of Howard Zinn's political thought and situates his efforts in a contemporary context looking toward the nature of activism and dissent in the future This is the first book to provide a substantive account and assessment of Zinn's philosophy and approach to collective action and to a larger extent democracy The contributors to this book explore the most effective mechanisms by which to arouse public support for seemingly radical positions and how current technological advancements may alter our perception of Zinn's activism The book is a valuable guide to a new generation of activists and scholars of politics in gauging the lasting relevance and legacy of Zinn's ideals concepts and methodology The text is neither fawning nor unduly critical unlike many discussions of Zinn in popular culture Rather the contributors engage the various complexities and tensions present throughout Zinn's work and subject them to contemporary assessment This is a multidisciplinary and international approach to Howard Zinn's intellectual and activist canon **Flagging Patriotism** Ella Shohat, Robert Stam, 2013-10-18 The question Why do they hate us is one of the most oft

Moyer, Paul A.

Shackel, 2008 *Harpers Ferry National Historical Park* is most widely known today for the attempted slave revolt led by John Brown in 1859 the nucleus for the interpretation of the current national park Here Teresa S Moyer and Paul A Shackel tell the behind the scenes story of how this event was chosen and preserved for commemoration providing lessons for federal
