## **Passport Customer Service Centre:**

The future of the Newport Passport Office Great Britain: Parliament: House of Commons: Welsh Affairs Committee, 2011-02-03 Newport Passport Application Processing Centre serves the whole of Wales and south west England It deals with 47 000 passport applications annually around 10 per cent of the national total The Identity and Passport Service IPS proposes to close the Passport Office at Newport with a loss of over 300 jobs although the Home Office announced that a customer service centre would be retained in Newport to service South Wales and the South West of England The piecemeal nature of the announcements suggests the lack of a co ordinated strategy regarding the future of the IPS in Wales The Office s significance to Wales and its value to the Welsh economy have not been truly appreciated by the Government No economic impact assessment of the proposal has been completed and the criteria on which the decision was based should be re examined The Newport Passport Office is the second largest employer in the city centre Its closure would have a significant economic impact on the city and would be a further blow for the Welsh economy The Committee is not convinced that long term savings will be made by reducing the size of the Office The IPS should on the contrary provide a detailed appraisal of the costs and benefits of consolidation and expansion as opposed to a reduction of services Without the retention of the office in Newport the Government s duty to provide a Welsh language service to users may not be properly discharged

professional service However the strategic shift to a smaller and better consular service has also meant that some services have been limited or withdrawn and standardisation has meant the end of so called over service as well as under service The FCO has consequently put great emphasis on encouraging self help managing expectations and explaining the limits of its assistance to British nationals Despite these efforts to explain to the public what the FCO can and cannot do there was still a significant gap between the high expectations of the public and the reality of what the FCO could provide **INDIA 2015**

the British Council will place on commercial activity risks a diminution of the UK's influence and soft power      *Impacts of COVID-19 on Societies and Economies* M.
