Pastor Appreciation Day 2013:

Thoughts and Near Thoughts by Jim Harris Jim Harris, 2016-06-16 Words mean things They are pregnant with imagery tone meaning and texture They are building blocks by which we can construct silly things or serious things We can instruct and insult with our language I choose to encourage and instruct This book is a collection of thoughts ideas jokes and truths As a Christian I am deeply committed to the Bible and the God who inspired it My passion in life is to expose people to the truth of the scriptures and make their lives better I also love to laugh and make people laugh That is a genuine joy in my life I hope this book does two things for you I pray it makes you think about your relationship with Christ and I pray it makes you laugh Life is simply too abbreviated not to enjoy the daily stage on which we live Enjoy this book It was written for you Enjoy your life It was gifted to you

Righting America at the Creation Museum Susan L. Trollinger, William Vance Trollinger Jr., 2016-05-15 What does the popularity of the Creation Museum tell us about the appeal of the Christian right On May 28 2007 the Creation Museum opened in Petersburg Kentucky Aimed at scientifically demonstrating that the universe was created less than ten thousand years ago by a Judeo Christian god the museum is hugely popular attracting millions of visitors over the past eight years Surrounded by themed topiary gardens and a petting zoo with camel rides the site conjures up images of a religious Disneyland Inside visitors are met by dinosaurs at every turn and by a replica of the Garden of Eden that features the Tree of Life the serpent and Adam and Eve In Righting America at the Creation Museum Susan L Trollinger and William Vance Trollinger Jr take readers on a fascinating tour of the museum The Trollingers vividly describe and analyze its vast array of exhibits placards dioramas and videos from the Culture in Crisis Room where videos depict sinful characters watching pornography or considering abortion to the Natural Selection Room where placards argue that natural selection doesn't lead to evolution The book also traces the rise of creationism and the history of fundamentalism in America This compelling book reveals that the Creation Museum is a remarkably complex phenomenon at once a natural history museum at odds with contemporary science an extended brief for the Bible as the literally true and errorless word of God and a powerful and unflinching argument on behalf of the Christian right

Corrupt Vision Akwasi Amo-Addae Mintah,2013-10-21 Economic hardship causes a religious revolution to erupt in the deprived community of Rigenzi People seek help for their deprived circumstances from the new Agrah Christian Movement which focuses on spiritual intervention Its ministers are perceived to have celestial powers that can help adherents to achieve their aims in life With clairvoyant priests to make predictions and interpret dreams the Agrah belief replicates pre Christian indigenous pagan beliefs and practices and marries them to Biblical doctrine Orthodox Christianity which flourished for six centuries in Rigenzi has ignored these traditions Soon these new churches become more popular However in spite of the new church leaders prayers and due to rampant government corruption and a lack of infrastructure Rigenzi continues to rely on foreign aid Tribal loyalties ethnic sentiments and language differences undermine the unity needed to bring about common objectives A symbiotic relationship between the opportunistic Agrah Church and a political system that only enriches members of the bureaucracy maintains Rigenzis exploitative status quo After a disillusioning stint in the developed world young Okemambo Sam returns home to Rigenzi He comes back to a corrupt culture where the defenceless masses must resort to bribery to attain their fundamental rights The young people who represent the future of Rigenzi are

blinded to the power of education scientific research and technological advancement to wreak positive change **The Gavel and Sickle: The Supreme Court, Cultural Marxism, and the Assault on Christianity** Anthony Walsh, 2018-01-15
 This book addresses the benefits of Christianity for all the degradation of our culture since the 1950s the pernicious effects that cultural Marxism has had on Western cultures and the loss of religious freedom as the Founders envisioned it due to a number of Supreme Court rulings We cannot understand the culture war and cultural debasement until we understand cultural Marxism Cultural Marxism has been hiding in plain sight since the 1930s with the immigration to the United States of a cadre of intellectuals from Germany who brought with them the folderol of critical theory political correctness gender neutrality radical feminism and moral relativism This intellectual moonshine is designed to weaken family structure and individual morality and it has worked The ultimate purpose of cultural Marxism is to destroy Western civilization from within This goal is clearly and unambiguously stated in their books and articles In numerous places in these books and articles cultural Marxists are adamant that if socialism is ever to come to America the two epicenters of Western morality the family and Christianity will have to be destroyed by slow stealthy and incremental attacks on them They have been aided in their efforts by anti Christian rulings by the United States Supreme Court since the 1940s I do not claim in any sense that the Supreme Court is engaged in a conspiracy with cultural Marxists Their rulings have been based on a reading of the Establishment Clause of the First Amendment that its authors would not recognize and have used this clause to eviscerate the Free Exercise Clause America's first freedom The Court has purged Christianity from the public square and in doing so it has unwittingly helped the cultural Marxist agenda by spiritually disarming America *Silenced: Refused to Be Silenced* Albert Anderson, Aimee Anderson, 2023-01-31 No one can control all the circumstances and events that come to us day by day Oftentimes things happen which we have no control over However each one of us CAN control our REACTION to what transpires in our lives We can make a conscious choice whether we will allow the events of our lives to make us BITTER or BETTER We can become BITTER as acid mean sour miserable to be with or near or we can use with God's grace and help the happenings of our lives to make us more loving kind considerate of others more like Jesus This world is on the edge of moral decay America's strength cannot rise above the righteousness and strength of her churches Faithless and false leadership in the church leads to spiritual devastation and ruin not only for the leaders but for the people they lead Many times people are balanced precariously between heaven and hell thus the truth must not be altered watered down or compromised whether it be in the church or in the U S government **Living by Faith in God's Promises** Aida Agao Dolores Lagarde, 2022-05-12 God Almighty is the Creator of heaven and earth He has the sovereignty and has the supreme power above everything of what we see and the unseen The mighty and exalted one He is the Alpha and the Omega the first and last the beginning and the end In the Old Testament the one who says to Moses I Am who I Am Yahweh El Shaddai In all creation of God the human is the most highly created by God because we were created by His own image and likeness God created humans for His glory

Therefore the main purpose for our life is to glorify God We can only glorify God through faith by believing in His words We should live by faith because the Scriptures says without faith it is impossible to please God Anyone who comes to Him must believe that He exists and that He rewards those who earnestly seek him Life in this world is going to be a roller coaster with many ups and downs But you should not be controlled by your circumstances God wants you to be stable be consistent and not be shaken by any adversity When facing difficulties when life seems to have no way out and has already come to a dead end and already hit the ground that s the time you have to activate your faith in God s promises The word of God is a strong tower His promises are true You must believe and trust in the power of His words Always remember you have assurance of victory through His Son Jesus Christ our Lord and Savior Live by faith and live with peace knowing our God is the controller of everything Glorify God in your life by living by faith in God s promises
