**The Pastoral Properties of Australia** Peter Taylor,1984-01 Portrait of Chief Timour buried on Nareeb Nareeb various scattered references to Aborigines working on stations      Real Property in Australia Michael J. Hefferan,2020-08-17 Real property in the form of investment ownership and use pervades almost every aspect of daily lives and represents over 40% of Australia s wealth Such assets do not exist in isolation they are dynamic and forever evolving impacted by a range of physical economic demographic legal and other forces Consequently a true appreciation of individual assets and of the property sector as a whole demands an understanding of both the assets themselves and the context and markets in which they exist The sector is complex and on the face of it confusing It is however not without logic and underlying themes and principles This book provides a wider understanding of how the real property sector works It covers topics such as the nature of real property and its functions economic drivers valuation principles legal and tenure parameters property taxation land development and subdivision asset and property management and sustainability all critical components in this complex and critically important sector It provides a wide and balanced perspective for experienced practitioners investors students and anyone involved in property decision making or wishing to secure a deeper understanding of these areas The book integrates research based theory with practical application and first hand insights into a sector that underpins the Australian economy its communities and its sustainability      *Builders and Pioneers of Australia* Arthur Wilberforce Jose,1928 Aboriginal and Torres Strait Islander peoples are advised that this resource may contain images transcripts or names of Aboriginal and Torres Strait Islander peoples now deceased It may also contain historically and culturally sensitive words terms and descriptions      **On the Ecology of Australia's Arid Zone** Hans Lambers,2018-08-21 This book will appeal to an international audience as well as be irresistible to local readers Anyone working or with an interest in Australia s arid zone should need ready access to this book There is no equivalent publication out there at the moment and this book has many authoritative chapters richly illustrated with colourful material The challenge of this book was to assemble current knowledge on particular topics and concepts and principles relating to them It is also forward looking by identifying where there are gaps or inadequacies in knowledge and where future research needs to be directed Lead authors were encouraged to take such an approach they had the opportunity to involve any author they considered appropriate The final product shouldbe a fabulous resource also for university courses especially at MSc level      **Report of the Trial of the Directors and the Manager of the City of Glasgow Bank** Charles Tennant Couper,2020-09-04 This book first published in 1879 and reissued by Garland in 1984 analyses through the evidence from the original trial the collapse of the City of Glasgow Bank in 1878 and the reasons behind it A history of gross mismanagement had been concealed by the directors by deceits facilitated by the absence of an independent audit      *Sustainable Land Sector Development in Northern Australia* Jeremy Russell-Smith,Glenn James,Howard Pedersen,Kamaljit K.
