Research Handbook on the Economics of Intellectual Property Law Ben Depoorter,Peter Menell,David Schwartz,2019 Both law and economics and intellectual property law have expanded dramatically in tandem over recent decades This field defining two volume Handbook featuring the leading legal empirical and law and economics scholars studying intellectual property rights provides wide ranging and in depth analysis both of the

economic theory underpinning intellectual property law and the use of analytical methods to study it Media Law and Ethics Roy L. Moore, Michael D. Murray, Kyu Ho Youm, 2021-09-30 This comprehensive textbook provides a thoughtful introduction to both the legal and ethical considerations relevant to students pursuing careers in communication and media. The fully revised sixth edition continues to integrate fundamental legal and ethical principles with cases and examples from both landmark moments and recent history. It expands upon the previous edition's exploration of international and non-U.S. law, introduces a new chapter on digital and social media, and incorporates discussion of new technologies and media throughout its coverage of core topics such as privacy, intellectual property, defamation, and commercial speech. Coverage of contemporary court cases and congressional hearings brings readers up to date on the evolving discussion surrounding Facebook, Twitter, and today's other major online players. This hybrid textbook is ideal for undergraduate and graduate courses in media and communication that combine law and ethics.
