Patton Blood Guts And Prayer

Walt Larimore, Mike Yorkey

Patton Blood Guts And Prayer:

George S. Patton Michael Keane,2014-09-09 Known for his rousing speeches and military triumphs General George S Patton Jr is one of the most famous military figures in U S history Yet he is better known for his profanity than his prayers Until now In his new book George S Patton Blood Guts and Prayer author Michael Keane takes readers on a journey through Patton s career in three parts his military prowess his inspirational bravery and his faith Using Patton s own diaries speeches and personal papers Keane examines the general s actions and personality to shed light on his unique and paradoxical persona From his miraculous near death experience to his famous prayer for fair weather Patton Blood Guts and Prayer recounts the seminal events that contributed to Patton s personal and religious beliefs Comprehensive and inspiring Patton Blood Guts and Prayer is an extraordinary look at the public and private life of one of World War II s most storied generals

Patton's Prayer Alex Kershaw,2025-06-03 From Alex Kershaw author of the New York Times bestseller Against All Odds comes an epic story of courage resilience and faith during the Second World War General George Patton needed a miracle In December 1944 the Allies found themselves stuck Rain had plagued the troops daily since September turning roads into rivers of muck slowing trucks and tanks to a crawl A thick ceiling of clouds had grounded American warplanes allowing the Germans to reinforce The sprint to Berlin had become a muddy bloody stalemate costing thousands of American lives Patton seethed desperate for some change any change in the weather A devout Christian he telephoned his head chaplain Do you have a good prayer for the weather he asked The resulting prayer was soon printed and distributed to the 250 000 men under Patton s command Pray when driving the men were told Pray when fighting Pray alone Pray with others Pray by night and pray by day Pray for the cessation of immoderate rains for good weather for Battle Pray for victory Pray for Peace Then came the Battle of the Bulge Amid frigid temperatures and heavy snow 200 000 German troops overwhelmed the meager American lines in Belgium s Ardennes Forest massacring thousands of soldiers as the attack converged on a vital crossroads town called Bastogne There the 101st Airborne was dug in but the enemy were lurking hidden in the thick blanket of fog that seemed to never dissipate A hundred miles of frozen roads to the south Patton needed an answer to his prayer fast before it was too late

Patton's Shadow Nathan C. Jones,2024-10-19 General George S Patton s legendary image was carefully crafted during World War II and continues to shape our understanding of American history and culture today Historian Nathan C Jones explores the creation of the Patton legend and its enduring legacy in Patton s Shadow **Patton J. Furman** Daniel,2020-04-03 General George S Patton Jr is one of the most successful yet misunderstood figures in American military history Despite the many books and articles written about him none considers in depth how his love of history shaped the course of his life In this thematic biography Furman Daniel traces Patton s obsession with history and argues that it informed and contributed to many of his successes both on and off the battlefield Patton deliberately cultivated the image of himself as a warrior from ages past the more interesting truth is that he was an exceptionally dedicated student of history He was a

hard worker and voracious reader who gave a great deal of thought to how military history might inform his endeavors Most scholars have overlooked this element of Patton s character which Daniel argues is essential to understanding the man s genius *Patton's Last Gamble* Duane Schultz,2018-05-01 In March 1945 against the advice of his top subordinates Gen George Patton created a special task force to venture more than fifty miles behind enemy lines and liberate a POW camp near Hammelburg Germany The camp held some 1 500 American prisoners including Patton s son in law Hampered by ambushes and a lack of fuel and even maps the raid was a disaster one of the worst mistakes of Patton s legendary career Out of some 300 men only three dozen returned Based on memoirs diaries combat reports and interviews with survivors Patton s Last Gamble vividly recounts a mission Gen Omar Bradley later said began as a wild goose chase and ended in tragedy

Professional Journal of the United States Army ,2014 *The Tragedy of Patton A Soldier's Date With Destiny* Robert Orlando,2021-12-01 Better to fight for something than live for nothing General George S Patton It is 75 years since the end of WW II and the strange mysterious death of General George S Patton but as in life Patton sets off a storm of controversy The Tragedy of Patton A Soldier s Date With Destiny asks the question Why was General Patton silenced during his service in World War II Prevented from receiving needed supplies that would have ended the war nine months earlier freed the death camps prevented Russian invasion of the Eastern Bloc and Stalin s murderous rampage Why was he fired as General of the Third Army and relegated to a governorship of post war Bavaria Who were his enemies Was he a threat to Eisenhower Montgomery and Bradley And is it possible as some say that the General s freakish collision with an Army truck on the day before his departure for US was not really an accident Or was Patton not only dismissed by his peers but the victim of an assassin s bullet at their behest Was his personal silence necessary General George S Patton was America s antihero of the Second World War Robert Orlando explores whether a man of such a flawed character could have been right about his claim that because the Allied troops some within 200 miles of Berlin or just outside Prague were held back from capturing the capitals to let Soviet troops move in the Cold War was inevitable Patton said it loudly and often enough that he was relieved of command and silenced Patton had vowed to take the gag off after the war and tell the intimate truth and inner workings about controversial decisions and questionable politics that had cost the lives of his men Was General Patton volatile bombastic self absorbed reckless Yes but he was also politically astute and a brilliant military strategist who delivered badly needed wins Questions still abound about Patton s rise and fall The Tragedy of Patton seeks to answer them

Ten Prayers That Changed the World Jean-Pierre Isbouts,2016-03-01 From time immemorial prayer has provided comfort in our darkest hours stirred us to action beyond what we thought possible and shown us the way through seemingly insurmountable challenges In this engaging tour of world history author and historian Jean Pierre Isbouts takes us on an inspiring tour of ten prayers that played a pivotal role in world events from the divine inspiration of Joan of Arc to Martin Luther s powerful hymn A Mighty Fortress is our God from Abraham s poignant plea to save his son to George Washington s

prayerful words to the newly formed American states from Constantine the Great's prayer before battle to Gandhi's deeply moving prayer of peace *Ten Prayers That Changed the World* delves into the moments in history where faith and prayer intersected with the course of mankind 2016 Best Book Award in Spirituality *Hallowed Ground* Douglas Smock, 2023-09-13 History is constantly changing What we know of past events is based on someone's interpretation Even first person accounts can vary widely and in fact did in the reports of Benedict Arnold's conduct at the second Battle of Saratoga in 1777 The conventional histories were based on a now discredited account by one officer A letter made public in 2016 painted a different version of events more favorable to Arnold *Hallowed Ground* How Forgotten Battles Changed America provides a fresh look at history through the lens of battles that deserve new attention starting with the Saratoga Campaign The little taught Mexican War that preceded the Civil War is too easily recalled as an important training ground for the legendary military leaders of the Civil War It was also a land grab condemned by Abraham Lincoln Robert E Lee Ulysses S Grant Henry Clay and many others The issues of technology and preparedness are major themes of the chapters on Selma Alabama during the Civil War and the Saint Mihiel offensive in World War I Selma was a focal point of Confederate efforts to build munitions while the US Army played catchup on aircraft tanks and wireless communications at Saint Mihiel Future American military leaders such as George Patton Dwight Eisenhower and William Mitchell quickly learned the new technologies The fifth chapter tells the forgotten story of one of the most inspiring Americans of the twentieth century Dr Gordon Seagrave a Baptist missionary on the northern frontier of Burma who became one of the military's greatest combat surgeons **No Greater Valor** Jerome Corsi, 2014-11-18 Jerome Corsi's newest opus *No Greater Valor* examines the Siege of Bastogne one of the most heroic victories of WWII with a focus on the surprising faith of the Americans who fought there In December of 1944 an outmanned outgunned and surrounded US force fought Hitler's overwhelming Panzer divisions to a miraculous standstill at Bastogne The underdogs had saved the war for the Allies It was nothing short of miraculous Corsi's analysis is based on a record of oral histories along with original field maps used by field commanders battle orders and other documentation made at the time of the military command With a perspective gleaned from newspapers periodicals and newsreels of the day Corsi paints a riveting portrait of one of the most important battles in world history *The Perfect Horse* Elizabeth Letts, 2017-05-23 NEW YORK TIMES BESTSELLER From the author of *The Ride of Her Life* and *The Eighty Dollar Champion* comes the winningly readable *The Christian Science Monitor* true story of the heroic rescue of priceless horses in the closing days of World War II Hard to put down One need not be an equestrian or horse lover in order to appreciate this story New York Journal of Books WINNER OF THE PEN AWARD FOR RESEARCH NONFICTION In the chaotic last days of the war a small troop of American soldiers captures a German spy and makes an astonishing find his briefcase is empty but for photos of beautiful white horses that have been stolen and kept on a secret farm behind enemy lines Hitler has stockpiled the world's finest purebreds in order to breed an equine master race But with the starving Russian

army closing in the animals are in danger of being slaughtered for food With hours to spare one of the U S Army s last great cavalymen Colonel Hank Reed makes a bold decision with General George Patton s blessing to mount a covert rescue operation Racing against time Reed s determined force of soldiers aided by several turncoat Germans steals across enemy lines to save the horses An exhilarating tale of adventure courage and sacrifice The Perfect Horse brings to life one of the most inspiring chapters in the annals of human valor **George S. Patton** Earle Rice (Jr.),2013 Reviews the life and battles of General George S Patton a West Point graduate who led American troops to key victories both World Wars *Fatal Dive* Peter Stevens,2012-07-30 Discusses how the family of Commander Jim Abele found the long lost USS Grunion a Naval submarine that disappeared in 1942 *Reporting World War II* G. Kurt Piehler,Ingo Trauschweizer,2023-04-25 This set of essays offers new insights into the journalistic process and the pressures American front line reporters experienced covering World War II Transmitting stories through cable or couriers remained expensive and often required the cooperation of foreign governments and the American armed forces Initially reporters from a neutral America documented the early victories by Nazi Germany and the Soviet invasion of Finland Not all journalists strove for objectivity During her time reporting from Ireland Helen Kirkpatrick remained a fierce critic of that country s neutrality Once the United States joined the fight after the Japanese attack on Pearl Harbor American journalists supported the struggle against the Axis powers but this volume will show that reporters even when members of the army sponsored newspaper Stars and Stripes were not mere ciphers of the official line African American reporters Roi Ottley and Ollie Stewart worked to bolster the morale of Black GIs and undermined the institutional racism endemic to the American war effort Women front line reporters are given their due in this volume examining the struggles to overcome gender bias by describing triumphs of Th r se Mabel Bonney Iris Carpenter Lee Carson and Anne Stringer The line between public relations and journalism could be a fine one as reflected by the U S Marine Corps creating its own network of Marine correspondents who reported on the Pacific island campaigns and had their work published by American media outlets Despite the pressures of censorship the best American reporters strove for accuracy in reporting the facts even when dependent on official communiqu s issued by the military Many wartime reporters even when covering major turning points sought to embrace a reporting style that recorded the experiences of average soldiers Often associated with Ernie Pyle and Bill Mauldin the embrace of the human interest story served as one of the enduring legacies of the conflict Despite the importance of American war reporting in shaping perceptions of the war on the home front as well as shaping the historical narrative of the conflict this work underscores how there is more to learn Readers will gain from this work a new appreciation of the contribution of American journalists in writing the first version of history of the global struggle against Nazi Germany imperial Japan and fascist Italy **Character Carved in Stone** Pat Williams,Jim Denney,2019-02-05 Overlooking the Hudson River on the campus of the United States Military Academy at West Point are 12 granite benches each inscribed with a word representing a key leadership virtue compassion courage dedication

determination dignity discipline integrity loyalty perseverance responsibility service and trust These benches remind cadets of the qualities that lead to victory and success not just on the battlefield but in all of life With his signature enthusiasm and insight Pat Williams shares the incredible stories of West Point graduates who exemplified these traits from the Civil War to the War on Terror He shows readers of all backgrounds how to develop these 12 essential virtues in their lives whether they are in the corporate world the academic world the military the church or in some other sphere Brigham Young Ed Breslin,2013-08-19 A portrait of the father of Mormonism focuses on his critical moments and achievements offering coverage of such topics as the opposition of his powerful detractors and his writings that continue to inform the Mormon Church **The Night Santa Got Lost** Michael Keane,2012-10-09 Every Christmas millions of kids and adults track Santa on the NORAD Santa Tracker Now author Michael Keane brings to life this fun tradition with his new children s book The Night Santa Got Lost How NORAD Saved Christmas Written in the iconic style of The Night Before Christmas The Night Santa Got Lost begins on a blustery and treacherous Christmas Eve as Santa sets off to deliver toys to good little boys and girls everywhere As always NORAD is faithfully tracking him to make sure no harm comes his way But when Santa disappears from their radar screen NORAD s skills and resources are put to the test as they scramble to find Santa and save Christmas Entertaining and educational The Night Santa Got Lost will delight parents and children alike while teaching kids about our military team work and the true spirit of Christmas At First Light Walt Larimore,Mike Yorkey,2022-04-19 As Seen on The 700 Club Winner of The Page Turner Non Fiction Book Award The Page Turner Golden Author Award and The Page Turner Best Book Award in True Stories What makes 2nd Lieutenant Phil Larimore s story special is what happened in World War II s closing days and the people and horses he interacted with in this Forrest Gump like tale that is emotional heartbreaking and inspiring Growing up in the 1930s in Memphis Tennessee Phil Larimore is the ultimate Boy Scout able to read maps put a compass to good use and traverse wild swamps and desolate canyons His other great skill is riding horses Phil does poorly in school however leading his parents send to him to a military academy After Pearl Harbor Phil realizes he is destined for war Three weeks before his eighteenth birthday he becomes the youngest candidate to ever graduate from Officer Candidate School OCS at Fort Benning Georgia Landing on the Anzio beachhead in February 1944 Phil is put in charge of an Ammunition Pioneer Platoon in the 3rd Infantry Division Their job deliver ammunition to the frontline foxholes a dangerous assignment involving regular forays into No Man s Land As Phil fights his way up the Italian boot into Southern France and across the Rhine River into Germany he is caught up in some of the most intense combat ever But it s what happens in the final stages of the war and his homecoming that makes Phil s story incredibly special and heartwarming An emotional tale of courage daring and heroism At First Light will remind you of the indomitable human spirit that lives in all of us TR's Last War David Pietrusza,2018-09-01 A riveting new account of Theodore Roosevelt s impassioned crusade for military preparedness as America fitfully stumbles into World War I spectacularly punctuated by his unique tongue lashings

of the vacillating Woodrow Wilson his rousing advocacy of a masculine pro Allied Americanism a death defying compulsion for personal front line combat a gingerly rapprochement with GOP power brokers and yes perhaps even another presidential campaign Roosevelt is a towering Greek god of war But Greek gods begat Greek tragedies His own entreaties to don the uniform are rebuffed and he remains stateside But his four sons fight over there with heartbreaking consequences two are wounded his youngest and most loved child dies in aerial combat Yet though grieving and weary TR may yet surmount everything with one monumentally odds defying last triumph Poised at the very brink of a final return to the White House death stills his indomitable spirit In his lively witty blow by blow style David Pietrusza captures through the lens of the Bull Moose the 1916 presidential campaign America s entry into the Great War in 1917 Woodrow Wilson s presidency and the last years of one of American history s greatest men who said on his death bed at the age of sixty I promised myself that I would work up to the hilt until I was sixty and I have done it I have kept my promise Pietrusza not only transports readers with his dramatic portraits of TR his hated rival Wilson and politics in wild flux but also poignantly chronicles the horrific price a family pays in war

Strength Through Peace Judith Eve Lipton, David P. Barash, 2018-09-10 Costa Rica is the only full fledged and totally independent country to be entirely demilitarized Its military was abolished in 1948 with the keys to the armory handed to the Department of Education Socially Costa Rica is a success story Although 94th in the world for GDP it is in the top 10 on various measurements of health and well being Citizens enjoy high standards of living that include universal access to healthcare education and pensions In addition the country practices sustainable resource management such as reforestation and the development of solar and wind power and it expects to be carbon neutral by 2020 Hunting is illegal 25% of the landmass is parks and reserves The government supports universal health care especially maternal and child health Costa Rica even has a Blue Zone an area where people live extraordinarily long healthy lives To some extent Costa Rica is simply lucky it was largely inaccessible and it had virtually no precious minerals therefore it was mostly spared the ravages of predatory colonialism The Costa Rican people made very good social decisions ranging from an avowed commitment to social democracy at the national level to local land distribution to develop stable middle class farmers But Costa Rica s neighbors have not enjoyed nearly as much peace and prosperity It is unlikely that Costa Rica s demilitarization and its remarkable social success are coincidental clearly something special is going on Through good luck good leadership and good decisions Costa Rica has become arguably the sanest and most progressive country on earth This book examines how and why Costa Rica is safe and independent without any military at all and what the rest of us can learn from its success
