## **Paul S Glory Christology Paul S Glory Christology:**

**Paul's Glory-Christology** Carey C. Newman, 2014-04-09 In 1927 C A A Scott while commenting on the apostle Paul's Christology remarked that the history of the word Glory in the Bible has yet to be written By using methodology developed in semantics semiotics and more generally literary theory Newman examines the origin and rhetoric of Paul's Glory Christology The investigation involves three distinct tasks 1 to plot the tradition history of Glory which formed part of Paul's linguistic world 2 to examine Paul's letter in light of the reconstructed tradition history of Glory in order to discern the rationale of Paul's identification of Christ as Glory and 3 to map out the implications of such an identification for Paul's theological and rhetorical strategy On the basis of this study four conclusions are reached for understanding Paul First Paul inherited a symbolic universe with signs already full of signification Second knowing the diachronically acquired connotative range of a surface symbol e g Glory aids in discerning Paul's precise contingent strategy Third knowing the surface symbol's referential power defines and contributes to the deeper structure of Paul's theological grammar Finally the heuristic power within the construals of the Glory tradition coalesce in Paul's Christophany and thus provide coherence at the deepest level of Paul's Christology

**The Theology of Paul the Apostle** James D. G. Dunn, 2006-05-17 Using Paul's letter to the Romans as the foundation for his monumental study of Paul's theology James D G Dunn describes Paul's teaching on God sin humankind Christology salvation the church and the nature of the Christian life

*Paul and the New Perspective* Seyoon Kim, 2001-11-08 Understanding Paul and his conversion to Christianity is imperative for a thorough knowledge of the New Testament In *Paul and the New Perspective* Seyoon Kim develops his argument that the origin of Paul's gospel lies in two places his radical conversion at Damascus and his usage of the Jesus tradition in light of Damascus This new way of looking at Paul further explains how Paul made strong distinctions between the Spirit and the flesh law with further implications for his doctrine of justification A departure from the New Perspective School represented by James D G Dunn Kim's *Paul and the New Perspective* offers a thorough and extensive argument for the foundation of the gospel that Paul spread in the first century

*Paul and the Imperial Authorities at Thessalonica and Rome* James R. Harrison, 2011 James R Harrison investigates the collision between Paul's eschatological gospel and the Julio Claudian conception of rule The ruler's propaganda with its claim about the eternal rule of the imperial house over its subjects embodied in idolatry of power that conflicted with Paul's proclamation of the reign of the risen Son of God over his world This ideological conflict is examined in 1 and 2 Thessalonians and in Romans exploring how Paul's eschatology intersected with the imperial cult in the Greek East and in the Latin West A wide selection of evidence literary documentary numismatic iconographic archeological unveils the symbolic universe of the Julio Claudian rulers This construction of social and cosmic reality stood at odds with the eschatological denouement of world history which in Paul's view culminated in the arrival of God's new creation upon Christ's return as Lord of all Paul exalted the Body of Christ over Nero's body of state transferring to the risen and ascended Jesus

many of the ruler's titles and to the Body of Christ many of the ruler's functions. Thus for Paul Christ's reign challenged the values of Roman society and transformed its hierarchical social relations through the Spirit. The Resurrection Stephen T. Davis, Daniel Kendall, Gerald O'Collins, 1997-05-30. This collection of papers is an international ecumenical and interdisciplinary study of Jesus' resurrection that emerged from the Resurrection Summit meeting held in New York at Easter 1996. The contributions represent mainstream scholarship on biblical studies, fundamental theology, systematic theology, philosophy, moral theology, and homiletics and combine to offer a timely, wide-ranging and well-balanced work on the central truth of Christianity.

*Paul Within Paganism* Alexander Chantzianthou, Paula Fredriksen, Stephen L. Young, 2025-11-04. Leading and rising scholars introduce a burgeoning new approach to the study of Paul which situates the Jewish apostle to gentiles within the wider world of ancient Mediterranean religion.

*The Mystery of God: Early Jewish Mysticism and the New Testament* Christopher Rowland, C.R.A. Morray-Jones, 2009-06-17. This book brings together the perspectives of apocalypticism and early Jewish mysticism to illuminate aspects of New Testament theology. The first part begins with a consideration of the mystical character of apocalypticism and then uses the Book of Revelation and the development of views about the heavenly mediator figure of Enoch to explore the importance of apocalypticism in the Gospels and Acts, the Pauline Letters, and finally the key theological themes in the later books of the New Testament. The second and third parts explore the character of early Jewish mysticism by taking important themes in the early Jewish mystical texts such as the Temple and the Divine Body to demonstrate the relevance of this material to New Testament interpretation.

*Dictionary of Paul and his letters* GERALD F HAWTHORNE, RALPH P MARTIN, DANIEL G REID, 2020-05-21. The Dictionary of Paul and his letters is a one of a kind reference work. Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels, this Dictionary is designed to bring students, teachers, ministers, and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship. No other single reference work presents as much information focused exclusively on Pauline theology, literature, background, and scholarship. In a field that recently has undergone significant shifts in perspective, the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies. In-depth articles focus on individual theological themes such as law, resurrection, and Son of God; broad theological topics such as Christology, eschatology, and the death of Christ; methods of interpretation such as rhetorical criticism and social scientific approaches; background topics such as apocalypticism, Hellenism, and Qumran; and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism, the centre of Paul's theology, and Paul and his interpreters since F. C. Baur. Separate articles are also devoted to each of the Pauline letters, to hermeneutics, and to preaching Paul today. The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century, committed to the authority of Scripture, utilising the best of critical methods, and maintaining dialogue with contemporary scholarship and

challenges facing the church      *Pillars in the History of Biblical Interpretation, Volume 2* Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed      **Lord Jesus Christ** Larry W. Hurtado, 2003 Using the Early Christian knowledge of and devotion to Christ and his teachings as his guiding focus Hurtado New Testament language literature and theology U of Edinburgh Scotland describes analyzes and frequently critiques a vast array of primary materials and the scholarly research that      *Morality, Not Mortality* William Horst, 2022-05-23 This study argues that the language of death as a present human plight in Romans 5 8 is best understood against the background of Hellenistic moral psychological discourse in which death refers to a state of moral bondage in which a person s rational will is dominated by passions associated with the body It is death of this sort rather than human mortality or a cosmic power called Death that entered the world through the transgression of Adam and Eve in Eden Moral death was imposed on humanity as a judgment against this initial transgression in order to increase sinful behavior which ultimately serves to increase the magnitude of the glorious revelation of God s grace through Jesus Christ Likewise creation s subjection to corruption and futility in Romans 8 involves the detrimental effects of human moral corruption not the physical corruption of death and decay Ultimately the plight on which Paul focuses much of his attention throughout Rom 5 8 is a matter of morality not mortality      [The Letter to the Hebrews](#) Sigurd Grindheim, 2023-11-28 What does the Letter to the Hebrews have to say to Christians today A compelling exhortation to hold true to the faith in the face of adversity A sermon full of iconic imagery and Old Testament allusions A signal work of theology in the New Testament Above all the Letter to the Hebrews proclaims the high priesthood of Jesus Christ Yet readers may find this central theme difficult to discern given the epistle s complexity and long history of interpretation In this Pillar commentary Sigurd Grindheim richly illuminates the Letter to the Hebrews explaining difficult texts offering a coherent reading and paying careful attention to linguistic features and historical context all while focusing on its relevance to modern readers Grindheim clearly and comprehensively

addresses major issues including authorship date canonicity formal qualities and important themes Following his thorough introduction he explains each line of the text and its significance for believers today Grindheim s commentary offers pastors students and scholars the clarity and fresh insights they want in their scriptural study     Union with Christ in the New Testament Grant Macaskill,2013-11

In conversation with historical and systematic theology Macaskill argues that the union between God and his people is consistently represented by the New Testament authors as covenantal with the participation of believers in the life of God specifically mediated by Jesus the covenant Messiah     "In Christ" in Paul Michael J. Thate, Kevin J. Vanhoozer, Constantine R. Campbell, 2018-02-08

Nineteen biblical scholars and theologians in this volume explore the notions of union and participation within Pauline theology teasing out the complex web of meaning conveyed through Paul s theological vision of being in Christ With essays that investigate Pauline theology and exegesis ex amine highlights from reception history and offer deep theological reflection this exemplary multidisciplinary collection charts new ground in the scholarly understanding of Paul s thought and its theological implications     **The Pseudepigrapha and**

**Christian Origins** Gerbern S. Oegema, James H. Charlesworth, 2008-11-01 In the Seminar The Pseudepigrapha and Christian Origins of the Studiorum Novi Testamenti Societas chaired from 2000 to 2006 by Professors James H Charlesworth Princeton and Gerbern S Oegema McGill the relation between the Pseudepigrapha and the New Testament has been discussed systematically and intensively in a way never seen before The Pseudepigrapha investigated included the Old Testament ones and those found in the Qumran as well as the Pseudepigrapha of the New Testament and the ones used in the Early Church The seminar and its participants who were all internally renowned experts from around the world have focused on the use adaptation reinterpretation and further development of non canonical traditions except for Philo Josephus the Essene and early Rabbinic writings in the canonical writings of Early Christianity The seminar has met in total five times in various locations while systematically being arranged around the following topics The Pseudepigrapha and the Synoptic Gospels the Gospel of John the Epistles of Paul the Other New Testament Writings and the Revelation of John     **Paul and the Image**

**of God** Chris Kugler, 2020-01-09 In this book Chris Kugler situates Paul s imago Dei theology within the complex and contested context of second temple Judaism and early Christianity in the Greco Roman world He argues that Paul adapted the Jewish wisdom and Middle Platonic traditions regarding divine intermediaries so as to present the preexistent Jesus as the cosmogonical image of God according to which Adam himself was made and toward which the whole of humanity was destined In this way Paul includes Jesus within the most exclusive theological category of second temple Jewish monotheism cosmogonical activity Paul s imago Dei christology therefore is a clear instance of christological monotheism Moreover Kugler demonstrates that this interpretation of Paul s imago Dei theology allows for a fresh reading of some of the most contested texts in Paul s letters 2 Corinthians 3 4 Romans 7 8 and Colossians 1 15 20 3 10 He demonstrates that at the rhetorical level Paul presents himself and his sympathizers as true philosophers who attain to the Middle Platonic telos of

true philosophy the image of God while he presents his opponents as advocates of an empty and deceitful philosophy

**Horizons in Hermeneutics** Stanley E. Porter, Matthew Malcolm, 2013-04-25 From essays that focus on the horizon of the text through to essays that consider the horizon of the twenty first century church this collection invites reflection on the illumination that hermeneutical awareness brings to biblical interpretation This Festschrift in honor of Anthony C Thiselton aims to consider exemplify and build upon his insights in philosophical hermeneutics and biblical studies particularly in relation to Paul and his writings
