Paula Deen's Kitchen Wisdom and Recipe Journal Paula Deen, 2008-11-04 Hey there y'all My favorite recipes came direct from my momma and grandmommies I just love going through all the recipe cards they passed on to me and reading their handwritten notes it makes me remember our good times in the kitchen gathered round the table Sometimes though I need a little reminding when it comes to writing down my own recipes and recollections so I've put together this darlin' little journal to get me and you started recording I know I never forget a meal but I also know that Jamie and Bobby aren't always listening to what I'm telling 'em So for you and the boys I've included some tried and true recipes and some of my hard learned tricks for getting out of culinary scrapes and Lord honey have there been a few Whether it is a real disaster the boss and his wife are coming over and the kitchen is full of smoke no shame in serving some takeout or just an everyday bump in the road your husband didn't hear the buzzer and the cake got a little dry in the oven let some sugar water soak into those layers and no one will know the difference I've got your answer Just get cooking and let loose nothing makes memories like the smell of home cooked meals Jot down your ingredients and your musings cut out a recipe card or two to share with friends keep track of who came to dinner who liked what and who laughed the loudest remember the good times and learn from the bad Like I always say there's not much in life you can't learn in the kitchen Paula Deen
