Off the Street: Redemption Christopher Baughman, 2013-11-18 Sometimes justice takes a different path For a hard charging detective in the Pandering Investigative Team PIT deliverance comes in the manner of long prison sentences humiliation and bankruptcy for the animals who subjugate beat and torture women into selling their bodies while reaping all the financial rewards With that single minded goal Las Vegas detective Chris Baughman finds frustration and dead ends as he and his team work countless hours hunting down someone from his past Mario Davis a promising athlete whose bright future takes a sadistic U turn Helping Chris are two young women from Davis stable of ten who reach out to Chris for rescue after Mario severely beats them Chris picks up the chase to find and finish Mario off for good gratis of the Las Vegas penal system But justice is complicated and Chris fears the case is slipping through his fingers when the two women fear testifying against Mario After being brutalized numerous times there is still a shred of loyalty No matter how frustrated Chris is he knows he can't ask them to put their lives at further risk Through countless hours and too many sleepless nights he fears Mario will go free and there will be no justice for the victims The tough lesson Chris must face is that his job offers a different kind of deliverance and rescue that is far more powerful and encouraging As head of the Pandering Investigation Team and Human Trafficking Task Force Christopher Baughman has changed the culture and scope of the crimes they investigate He has arrested several of the wealthiest and most violent criminals in Las Vegas This success caught the attention of investigative reporter Chris Hansen of Dateline NBC's To Catch a Predator Chris teaches the anatomy of pandering investigations to other departments across the nation including members of the FBI and IRS as well as federal parole and probation officers
