Bohemian New Orleans Jeff Weddle, 2010-01-06 Winner of the 2007 Welty Prize In 1960 Jon Edgar and Louise Gypsy Lou Webb founded Loujon Press on Royal Street in New Orleans s French Quarter The small publishing house quickly became a giant Heralded by the Village Voice and the New York Times as one of the best of its day the Outsider the press s literary review featured among others Charles Bukowski Allen Ginsberg Lawrence Ferlinghetti Robert Creeley Denise Levertov and Walter Lowenfels Loujon published books by Henry Miller and two early poetry collections by Bukowski Bohemian New Orleans traces the development of this courageous imprint and examines its place within the small press revolution of the 1960s Drawing on correspondence from many who were published in the Outsider back issues of the Outsider contemporary reviews promotional materials and interviews Jeff Weddle shows how the press s mandarin insistence on production quality and its eclectic editorial taste made its work nonpareil among peers in the underground Throughout Bohemian New Orleans reveals the messy complex and vagabond spirit of a lost literary age Learn about Director Wayne Ewing s documentary film The Outsiders of New Orleans Loujon Press and watch a trailer at <http://www.loujonpress.com>

An Annotated Guide to Current National Bibliographies Barbara L. Bell, 1986

The Rise of True Crime Jean Murley, 2008-08-30 During the 1950s and 1960s True Detective magazine developed a new way of narrating and understanding murder It was more sensitive to context gave more psychologically sophisticated accounts and was more willing to make conjectures about the unknown thoughts and motivations of killers than others had been before This turned out to be the start of a revolution and after a century of escalating accounts we have now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers The

Rise of True Crime examines the various genres of true crime using the most popular and well known examples And despite its examination of some of the potentially negative effects of the genre it is written for people who read and enjoy true crime and wish to learn more about it With skyrocketing crime rates and the appearance of a frightening trend toward social chaos in the 1970s books documentaries and fiction films in the true crime genre tried to make sense of the Charles Manson crimes and the Gary Gilmore execution events And in the 1980s and 1990s true crime taught pop culture consumers about forensics profiling and highly technical aspects of criminology We have thus now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers Through the suggestion that certain kinds of killers are monstrous or outside the realm of human morality and through the perpetuation of the stranger danger idea the true crime aesthetic has both responded to and fostered our culture s fears True crime is also the site of a dramatic confrontation with the concept of evil and one of the few places in American public discourse where moral terms are used without any irony and notions and definitions of evil are presented without ambiguity When seen within its historical context true crime emerges as a vibrant and meaningful strand of popular culture one that is unfortunately devalued as lurid and meaningless pulp Author and Journalist ,1921 **Liquor Store and Dispenser** ,1942
