Oh Happy Day Ken Petersen, 2021-03-23 There s nothing like a good ole gospel tune to lift your spirits give you hope and help you through the hard times Gospel favorites such as Just a Little Talk with Jesus How Big Is God In the Garden and many more are the inspiration behind these 75 soul stirring devotions and prayers Each devotion is accompanied by an interesting tidbit about the song its composer and the song s importance to the world of Southern Gospel music **Playing Gospel Piano** Carl Maults-BY, 2003 **Encyclopedia of American Gospel Music** W. K. McNeil, 2013-10-18 The Encyclopedia of American Gospel Music is the first comprehensive reference to cover this important American musical form Coverage includes all aspects of both African American and white gospel from history and performers to recording techniques and styles as well as the influence of gospel on different musical genres and cultural trends **All Together Now** Gill Hornby, 2015-07-21 The small town of Bridgeford is in crisis Downtown is deserted businesses are closing and the idea of civic pride seems old fashioned to residents rushing through the streets to get somewhere else Bridgeford seems to have lost its heart But there is one thing that just might unite the community music The local choir a group generally either ignored or mocked by most of Bridgeford s inhabitants is preparing for an important contest and to win it they need new members and a whole new sound Enlisting some may say drafting singers who include a mother suffering from empty nest syndrome a middle aged man who has just lost his job and his family and a nineteen year old waitress who dreams of reality TV stardom the choir regulars must find and make harmony with neighbors they ve been happy not to know for years Can they all learn to work together save the choir and maybe even save their town in the process All Together Now is a poignant and charming novel about community family falling in love and the big rewards of making a small change **Healing for the Soul** Braxton D. Shelley, 2021-04-20 This book uses one of the most important features of the black gospel song a repetitive musical cycle known as the vamp to illuminate this tradition s powerful combination of sound and belief Combining resources from music studies religious studies and cultural studies the book shows how the immediacy of musical sound brings black Christians into meaningful contact with the invisible subjects of their beliefs The deeply embodied ways believers engage gospel music then evidence the transcendent work gospel songs are used to do *The Cambridge Companion to Blues and Gospel Music* Allan Moore, 2003-03-13 From Robert Johnson to Aretha Franklin Mahalia Jackson to John Lee Hooker blues and gospel artists figure heavily in the mythology of twentieth century culture The styles in which they sang have proved hugely influential to generations of popular singers from the wholesale adoptions of singers like Robert Cray or James Brown to the subtler vocal appropriations of Mariah Carey Their own music and how it operates is not however always seen as valid in its own right This book provides an overview of both these genres which worked together to provide an expression of twentieth century black US experience Their histories are unfolded and questioned representative songs and lyrical imagery are analysed perspectives are offered from the standpoint of the voice the guitar the piano and also

that of the working musician The book concludes with a discussion of the impact the genres have had on mainstream musical culture Woke Me Up This Morning Alan Young, 2012-09-29
