*Oil Pulling Therapy* Bruce Fife, 2017-08-14 If you have bad breath bleeding gums cavities or tooth pain you need this book If you suffer from asthma diabetes arthritis migraine headaches or any chronic illness and have not found relief this book could have the solution you need All disease starts in the mouth As incredible as it may seem most of the chronic and infectious

illnesses that trouble our society today are influenced by the health of our mouths. Our mouths are a reflection of the health inside our bodies. If you have poor dental health, you are bound to have other health problems. Despite regular brushing and flossing, over 90 percent of the population has some degree of gum disease or tooth decay. Most people aren't even aware they have existing dental problems. Recent research has demonstrated a direct link between oral health and chronic illness. Simply improving the health of your teeth and gums can cure many chronic problems. More brushing, flossing, and mouthwash isn't the solution. What will work is Oil Pulling Therapy. Oil pulling is an age-old method of oral cleansing originating from Ayurvedic medicine. It is one of the most powerful, most effective methods of detoxification and healing in natural medicine. In this book, Dr. Fife combines the wisdom of Ayurvedic medicine with modern science. The science behind oil pulling is fully documented with references to medical studies and case histories. Although incredibly powerful, Oil Pulling Therapy is completely safe and simple enough for even a child.

*The Ayurvedic Dinacharya* Rohit Sahu, 2021-07-26

Are you yearning to synchronize your life with the rhythm of nature? Do you wish to be disease-free for the rest of your life? Do you want to live a longer, better, and happier life? If you answered yes, then this book is an invaluable asset that will transform your life. In our modern era, we often find ourselves caught in a relentless cycle of stress and busyness. Late nights at work, early morning meetings, and a packed social life contribute to our daily struggles. But the root cause of our distress lies in the lack of a regular routine. Our ancestors understood the importance of a disciplined Dinacharya, a daily regimen that they faithfully followed. This practice not only balanced their doshas, body energies, but also regulated their biological cycles, instilled discipline and happiness, and reduced stress. The absence of a routine can lead to various lifestyle disorders such as obesity, hypertension, stroke, diabetes, coronary heart disease, and many more. It can also manifest as anxiety, insomnia, digestive issues, premature aging, and a host of other ailments. However, simple adjustments to our lifestyle can prevent these health risks and promote overall well-being. Dinacharya, derived from the words *Dina* meaning day and *Acharya* meaning activity, offers fundamental self-care practices that will empower you to create balance, joy, and long-term health. Regardless of your body type, age, gender, or current health condition, embracing a healthy lifestyle is within your reach. A daily routine holds the key to a profound transformation of your body, mind, and consciousness. It fosters equilibrium within your constitution, aids in digestion and absorption, and cultivates self-esteem, discipline, tranquility, happiness, and longevity. Through this book, I will guide you on how to harmonize with nature's rhythm every single day, allowing you to enjoy a lifetime of health and happiness. By following the principles of Ayurveda, the suggestions offered in this book are not only effective but also easy to implement.
