

# Oedipus Rex Reading Questions

## Prologue (We Learn of the Godling)

1. Oedipus refers to the citizens of Thebes as "kinsmen of the ancient Cadmean line." What does this mean? Who was Cadmus?

A kinsman is a descendant of a rich or illustrious person. Cadmus was one of the first Greek heroes and the founder of Thebes, where the play takes place. The citizens of Thebes are the descendants of the illustrious Cadmus.

2. A parent and Oedipus are the main characters of the prologue. How are these two representative of the main conflict of the play?

The conflict is that of man vs. fate. Oedipus represents the man in all his imperfections, the parent, a representative of the gods, represents fate and, therefore, fate. The two contrasting is representative of the overall man vs. fate idea.

3. In his opening line, Oedipus immediately reveals his hamartia. Quote the words that reveal it, and name what the flaw is.

Oedipus refers to himself as "I whose men call Oedipus the Great." He is hamstrapped with that no would not let everyone know it.

4. What is "the place Apollo breaths at Pythia"? What was its significance in ancient Greece?

This place is the Oracle at Delphi, or the Delphic Oracle. The Pythia is what the priestess at the temple was called. The Pythia would receive messages from Apollo, which were then interpreted. The Oracle was often visited and asked questions. Before many wars and big decisions, leaders consulted the Oracle for signs and answers.

5. To what is the person poisoning Thebes compared? Paraphrase the metaphor.

The Oracle said that some person needed to be expelled from the city, a person who was sort of poisoning them. This person is compared to a festering, poisonous growth that needs to be diagnosed and then pruned.

6. What clue about the murderer of Laius does Oedipus have, and how does he have the clue?

That he was murdered by bandits, or a group of highwaymen, and the clue comes from the one servant of Laius who survived the attack.
