*The Official Price Guide to Memorabilia of Elvis Presley & the Beatles* Jerry Osborne, 1988      Official Price Guide to Memorabilia of Elvis Presley and the Beatles Jerry Osborne, 1990-10-01 Serious Elvis and Beatle fans and they number in the millions will never let memories of their favorites die And now their children are just as passionate about the icons of pop cultures For fans of any age this is the only memorabilia price guide available that celebrates both the King and the Fab Four in one single volume      **Price Guide for The Beatles American Records** Perry Cox, Joe Lindsay, Frank Daniels, 2007 This long anticipated sixth edition of the Price Guide for the Beatles American Records by Perry Cox and Frank Daniels contains thousands of listings and value for all Beatles and solo releases on vinyl records CDs and all tape formats including reel to reel 4 tracks 8 tracks Playtapes and cassettes The book contains over 1 000 color images to aid collectors in determining what a legitimate release looks like      **Understanding Elvis** Susan M. Doll, 2016-12-05 Although the importance of Elvis Presley's Southern heritage has long been recognized few have considered the complex connection between the performer's career and his Southern roots This study investigates how that identity affected each stage of Presley's career Elvis Presley's career can be divided into three phases each of which is signified by a specific image Each image is coded by a certain style of music mode of dress and arena of performance The evolution from one career phase to another was instigated by a specific event and represented a deliberate calculation on the part of Presley's manager to attract a wider audience The first stage spans the years 1956 through 1958 after the singer was introduced to a national audience and before he was drafted into the army His image as a notorious rock n roller created a national controversy and was spurred by negative depictions of Presley in the media many attributing his controversial performing style and appearance to his Southern background His music was a fusion of rhythm and blues and country western or two types of music indigenous to the South and foreign to the mainstream entertainment industry based in New York City The second phase of Elvis' career included his stint as a movie star in which most aspects of his Southern identity were extracted from his leading man image to enhance his appeal to the mainstream And finally the last stage of his career focused on his image as a Las Vegas performer Despite the gaudy costumes Elvis reconnected to his identity as a Southerner in the 1970s by returning to country music and songwriters as a source of inspiration      Warman's Antiques and Collectibles Price Guide Harry L. Rinker, 1996-04 An antiques price guide for more than 50 000 items with detailed descriptions      Rock Music in American Popular Culture Frank Hoffmann, B Lee Cooper, Wayne S Haney, 2013-01-11 How does rock music impact culture According to authors B Lee Cooper and Wayne S Haney it is central to the definition of society and has had a great impact on shaping American culture In *Rock Music in American Popular Culture* insightful essays and book reviews explore ways popular culture items can be used to explore American values This fascinating book is arranged alphabetically for quick and easy reference to specific topics but the book is equally enjoyable to read straight through The influence of rock era music is evident throughout the text demonstrating
