## **Oklahoma A Sense Of Place:**

**Oklahoma** Michael Wallis, 2012-04-29 To be sure Oklahoma is a land of contrasts Within the state one can find red necks and blue bloods pickups and polo ponies beer joints and country clubs fiery preachers and pagans rodeo and ballet Oklahoma is the nation's great mixing bowl Yet all too often even native born Oklahomans lose their sense of place and the land misplaces its sense of rhythm Without rhythm there can be no balance In *Oklahoma A Sense of Place* best selling author Michael Wallis reminds us that it is important to know all of our history good bad and ugly In his compelling story of early adventurers wisdom seekers outlaws and risk takers are lessons for everyone whether they reside in Oklahoma or not For in the end all readers must finally ask if they have their own sense of place *Built from the Fire* Victor Luckerson, 2024-06-04 A multigenerational saga of a family and a community in Tulsa's Greenwood district known as Black Wall Street that in one century survived the 1921 Tulsa Race Massacre urban renewal and gentrification Ambitious absorbing By the end of Luckerson's outstanding book the idea of building something new from the ashes of what has been destroyed becomes comprehensible even hopeful Marcia Chatelain The New York Times WINNER The Dayton Literary Peace Prize The MAAH Stone Book Award The SABEW Best in Business Book Award The Lillian Smith Book Award The Oklahoma Historical Society's E E Dale Award FINALIST The Hurston Wright Legacy Award A NEW YORK TIMES BOOK REVIEW AND WASHINGTON POST BEST BOOK OF THE YEAR When Ed Goodwin moved with his parents to the Greenwood neighborhood in Tulsa Oklahoma his family joined a community soon to become the center of black life in the West But just a few years later on May 31 1921 the teenaged Ed hid in a bathtub as a white mob descended on his neighborhood laying waste to thirty five blocks and murdering as many as three hundred people in one of the worst acts of racist violence in U S history The Goodwins and their neighbors soon rebuilt the district into a Mecca in Ed's words where nightlife thrived and small businesses flourished Ed bought a newspaper to chronicle Greenwood's resurgence and battles against white bigotry and his son Jim an attorney embodied the family's hopes for the civil rights movement But by the 1970s urban renewal policies had nearly emptied the neighborhood Today the newspaper remains and Ed's granddaughter Regina represents the neighborhood in the Oklahoma state legislature working alongside a new generation of local activists to revive it once again In *Built from the Fire* journalist Victor Luckerson tells the true story behind a potent national symbol of success and solidarity and weaves an epic tale about a neighborhood that refused more than once to be erased **Hidden Treasures of the American West** Patricia Loughlin, 2005 The stories of two women historians and one anthropologist of the 1930s and 40s and their work in Oklahoma and the Southwest **Great Plains Politics** Peter J. Longo, 2018-09-01 The Great Plains has long been home to unconventional and leading edge politics from the fiery Democratic presidential candidate William Jennings Bryan to the country's first female U S representative and first female governor to the nation's only single house state legislature Great Plains Politics provides a lively tour of the Great Plains region through the civic and political contributions of its citizens

demonstrating the importance of community in the region Great Plains Politics profiles six men and women who had a profound impact on the civic and community life of the Great Plains Wilma Mankiller the first woman chief of the Cherokee Nation in Oklahoma and a political activist at both the local and the national levels Virginia Smith an educator from Nebraska who served as a U S representative in Congress Junius Groves an African American farmer and community builder from Kansas George McGovern a South Dakota senator whose 1972 presidential campaign galvanized widespread grassroots support Robert Dole a Kansas congressman and longtime senator as well as the Republican candidate for U S president in 1988 and Harriet Elizabeth Byrd the first African American elected as a state representative in Wyoming The lives of these individuals illustrate the robust and enduring civic and community involvement of inhabitants of the Great Plains and presage a hopeful continuation of its storied political tradition **There is a Balm in Gilead** Lewis V. Baldwin, 1991-01-01

Examines King s roots in Black popular culture and their role as the source of his power and vision The Cambridge Companion to Native American Literature Joy Porter, Kenneth M. Roemer, 2005-07-21

An informative and wide ranging overview of Native American literature from the 1770s to present day **Geographies of Urban Sound** Torsten Wissmann, 2016-04-22 Traffic music language and nature help to create unique soundscapes that are essential to the place based character of each city Taking into account both the urban soundscape and the impacts of sound on the urban dweller this book examines sound not as a by product of urban life but as a fundamental part of the urban experience that is crucial to understanding the city s sense of place Illustrated by case studies from Europe and North America these range from on site measurements to the construction of audio tours for local tourism from media analysis of popular culture audio drama to sound identity and city branding and from the classification of noise in city planning to a consideration of the complex relationship between sacred sound and the creation of a sense of place Taking a social geographic perspective the book focuses on the effects of sounds on the individual and how they influence the ways s he engages the city as place especially in their daily routines In doing so it uncovers the socio scientific potential of sound in the urban environment based on the understanding that sound cannot and must not be seen as detached from the urban landscape but rather as a constituting element Sound exists not only within the city it is the city **Earth Matters on Stage** Theresa J. May, 2020-08-09 Earth Matters on Stage Ecology and Environment in American Theater tells the story of how American theater has shaped popular understandings of the environment throughout the twentieth century as it argues for theater s potential power in the age of climate change Using cultural and environmental history seven chapters interrogate key moments in American theater and American environmentalism over the course of the twentieth century in the United States It focuses in particular on how drama has represented environmental injustice and how inequality has become part of the American environmental landscape As the first book length ecocritical study of American theater Earth Matters examines both familiar dramas and lesser known grassroots plays in an effort to show that theater can be a powerful force for social change from frontier drama

of the late nineteenth century to the eco theater movement This book argues that theater has always and already been part of the history of environmental ideas and action in the United States Earth Matters also maps the rise of an ecocritical thought and eco theater practice what the author calls ecodramaturgy showing how theater has informed environmental perceptions and policies Through key plays and productions it identifies strategies for artists who want their work to contribute to cultural transformation in the face of climate change

*The South as an American Problem* Larry J. Griffin, Don Harrison Doyle, 1995 In this volume twelve authors take a challenging new look at the South Departing from the issue that has lately preoccupied observers of the South the region's waning cultural distinctiveness the contributors instead look at the dynamics of the region's long troubled relationship with the rest of the nation What they discover allows us all to view the current state and future course of the South as well as its link to the broader culture and polity in a new light To envision the concept of the Problem South and what it means to those within and without the region six historians have joined together with a sociologist an economist two literary scholars a legal scholar and a journalist Their essays which range in subject from the South's climate to its religious fundamentalism to its great outpouring of fiction and autobiography are the products of strong and independent minds that cut across disciplines disagree among themselves blend contemporary and historical insights and confront conventional wisdom and expedient generalities Although consensus among the contributors was never the goal of this collection some common themes do suggest themselves Above all there is not only a South defined by its geography history and society but also a mythic and metaphoric South one continually refashioned by national regional discourse trends and events In addition the South has long been a mirror in which America has viewed itself The nation has sought time and again to change the region but it has also used the South to expose and modify darker impulses of American culture
