**Answering Jewish Objections to Jesus : Volume 3** Michael L. Brown, 2003-03-01 The Torah doesn't speak of Jesus at all You're completely misinterpreting Isaiah This verse has absolutely nothing to do with your Jesus It's not even a messianic prophecy As for the real messianic prophecies Jesus fulfilled none of them These are some objections raised by Jews regarding Jesus as the Messiah Using the Hebrew Bible rabbinic texts and the New Testament Dr Michael Brown provides thorough answers to nearly forty such objections This third installment of Answering Jewish Objections to Jesus looks specifically at questions raised about messianic prophecies in Isaiah Daniel Psalms Haggai and Zechariah It's an invaluable resource for seekers and for anyone wanting to point students of the Torah to Jesus

**Commentary on the Twelve Prophets, Volume 3** Saint Cyril (Patriarch of Alexandria), 2007 This final volume in a series of three contains Cyril's commentary on Zephaniah Haggai Zechariah and Malachi Applying his knowledge of ancient Israelite history in his analysis of the immediate context for each of these prophetic books Cyril

believes that Zephaniah was addressed to the residents of Jerusalem in the years preceding the Babylonian Exile and the other three were addressed to a newly repatriated post exilic nation An emphasis on theodicy is a primary theme of this book God's love for humankind says Cyril is expressed in the many warnings sent through the prophets and in the ample amount of time that God allows for people to repent When no repentance ensues God sends harsh but just punishments employing the brutality of enemy nations as his instruments yet always doing so with the loving purpose of returning his people to himself Cyril's focus on the historical details of the Old Testament is matched by his concern for the Church of his own day Where the prophetic oracles mention the Jewish priesthood altar or sacrifices Cyril takes the opportunity to exhort Christian priests to preserve their moral purity and to fulfill their liturgical duties with devotion This extrapolation from the ancient to the contemporary from Israel to the Church is compatible with the typological interpretation that Cyril utilizes in conjunction with his literal historical approach The Temple is a type or foreshadowing of the Church and the sacrificial lamb of the Passover prefigures Christ Thus Cyril maintains his connection with the Alexandrian tradition of allegorical exegesis while presenting a balanced multi faceted interpretation that applies passages from many other parts of the Bible to extract a wealth of meaning from the prophetic books

Prophetic Rhetoric Ernst R. Wendland, 2009-05-26 *The Messianic Matrix* Loren W Caudill, 2006-10 The Messianic Matrix is a thrilling journey of theological concepts that define the Pentecostal experience It is a ground breaking and sweeping endeavor that utilizes the best of modern scholarship Finally in this exciting redefinition of baptism in the Spirit Loren Caudill has produced a fascinating theology of Pentecost that is at once complex and compelling Reaching into modern scholarship and his Pentecostal experience the author lifts the veil on ultimate reality and its relationship to Spirit Baptism and to the heavenly places in Christ For the first time in modern history definitions of New Testament terms like born again new creation and yes even the term Christian are defined from within their original Pentecostal settings The reader will sense a fresh wind of excitement as the traditional concepts of eternal life the kingdom of God water baptism the mystery of Christ the church and of believers inheritance are scrutinized Just as believers in mass have become fatigued of church as usual The Messianic Matrix offers Pentecostals and Fundamentalists alike a new and biblical paradigm for life together in Christ

**The Understanding of Adultery in the Hebrew Bible** Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications

thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today's couples **Micah (ITC)** Mark S. that the Bible holds open but too many of its interpreters do not      **Divine Simplicity** Steven J. Duby, 2015-12-17 Steven J Duby examines the doctrine of divine simplicity This discussion is centered around the three distinguishing features grounding in biblical exegesis use of Thomas Aquinas and the Reformed Orthodox and the writings of modern systematic and philosophical theologians Duby outlines the general history of the Christian doctrine of divine simplicity and discusses the methodological traits and essential contents of the dogmatic account He substantiates the claims of the doctrine of divine simplicity by demonstrating that they are implied and required by the scriptural account of God Duby considers how simplicity is inferred from God's singularity and aseity as well as how it is inferred from God's immutability and infinity and the Christian doctrine of creation The discussion ends with the response to major objections to simplicity namely that the doctrine does not pay heed to the plurality of the divine attributes that it eradicates God's freedom in creating the world and acting toward us and that it does not cohere with the personal distinctions to be made in the doctrine of the Trinity
