Michel Houellebecq Eve Chambrot,2015 **Unreconciled** Michel Houellebecq,2017-09-05 Selected poems from the critically acclaimed author of Submission and The Elementary Particles A shimmering selection of poems chosen from four collections of one of France s most exciting authors Unreconciled shines a fresh light on Michel Houellebecq and reveals the radical singularity of his work Drawing on themes that are similar to the ones in his novels these poems are a journey into the depths of individual experience and universal passions Divided into five parts Unreconciled forms a narrative of love hopelessness catastrophe dedication and ultimately redemption In a world of supermarkets and public transportation indifferent landscapes and lonely nights Houellebecq manages to find traces of divine grace even as he exposes our inexorable decline into chaos Told through forms and rhythms that are both ancient and new with language steeped in the everyday Unreconciled stands in the tradition of Baudelaire while making a bold new claim on contemporary verse It reveals that in addition to his work as an incisive novelist Houellebecq is one of our most perceptive poets with a vision of our era that brims with tensions that cannot and will not be reconciled **Platform Header** Michel Houellebecq,2003-09-04 **In the Presence of Schopenhauer** Michel Houellebecq,2020-05-11 The work of Michel Houellebecq one of the most widely read and controversial novelists of our time is marked by the thought of Schopenhauer When Houellebecq came across a copy of Schopenhauer s Aphorisms in a library in his mid twenties he was bowled over by it and he hunted down a copy of his major philosophical work The World as Will and Representation Houellebecq found in Schopenhauer the radical pessimist the chronicler of human suffering the lonely misanthrope a powerful conception of the human condition and of the future that awaits us and when Houellebecq s first writings appeared in the early 1990s the influence of Schopenhauer was everywhere apparent But it was only much later in 2005 that Houellebecq began to translate and write a commentary on Schopenhauer s work He thought of turning it into a book but soon abandoned the idea and the text remained unpublished until 2017 Now available in English for the first time In the Presence of Schopenhauer is the story of a remarkable encounter between a novelist and a philosopher and a testimony to the deep and enduring impact of Schopenhauer s philosophy on one of France s greatest living writers
