Culinary Nationalism in Asia Michelle T. King,2019-07-11 With culinary nationalism defined as a process in flux as opposed to the limited concept of national cuisine the contributors of this book call for explicit critical comparisons of cases of culinary nationalism among Asian regions with the intention of recognizing patterns of modern culinary development As a result the formation of modern cuisine is revealed to be a process that takes place around the world in different forms and periods and not exclusive to current Eurocentric models Key themes include the historical legacies of imperialism colonialism nationalism the Cold War and global capitalism in Asian cuisines internal culinary boundaries between genders ethnicities social classes religious

groups and perceived traditions modernities and global contexts of Asian cuisines as both nationalist and internationalist enterprises and Asia itself as a vibrant culinary imaginary The book which includes a foreword from Krishnendu Ray and an afterword from James L Watson sets out a fresh agenda for thinking about future food studies scholarship

From Taverns to Gastropubs Christel Lane, 2018-05-04 The pub is a prominent social institution integral to British identity From Taverns of Gastropubs Food Drink and Sociality in England charts the historical development of the English public house from the Restoration period to the twenty first century culminating in the

contemporary gastropub It explores issues of class gender and national identification to understand the social identity of patrons and how publicans conceive of their establishments organizational identity In the context of large scale pub closures since the 1990s the gastropub is viewed as both a reaction to the traditional drinking pub and as a promising alternative From Taverns to Gastropubs uses historical diaries industry reports and a wealth of in depth interviews in order to understand the rise of the gastropub and how food drink and sociality has changed through time **The Ethnic**

Restaurateur Krishnendu Ray,2016-02-11 Academic discussions of ethnic food have tended to focus on the attitudes of consumers rather than the creators and producers In this ground breaking new book Krishnendu Ray reverses this trend by exploring the culinary world from the perspective of the ethnic restaurateur Focusing on New York City he examines the lived experience work memories and aspirations of immigrants working in the food industry He shows how migrants become established in new places creating a taste of home and playing a key role in influencing food cultures as a result of transactions between producers consumers and commentators Based on extensive interviews with immigrant restaurateurs and students chefs and alumni at the Culinary Institute of America ethnographic observation at immigrant eateries and haute institutional kitchens as well as historical sources such as the US census newspaper coverage of restaurants reviews menus recipes and guidebooks Ray reveals changing tastes in a major American city between the late 19th and through the 20th century Written by one of the most outstanding scholars in the field The Ethnic Restaurateur is an essential read for students and academics in food studies culinary arts sociology urban studies and indeed anyone interested in popular culture and cooking in the United States *Ars Vitae* Elisabeth Lasch-Quinn,2020-10-15 Despite the flood of self help guides and our

current therapeutic culture feelings of alienation and spiritual longing continue to grip modern society In this book Elisabeth Lasch Quinn offers a fresh solution a return to classic philosophy and the cultivation of an inner life The ancient Roman philosopher Cicero wrote that philosophy is *ars vitae* the art of living Today signs of stress and duress point to a full fledged crisis for individuals and communities while current modes of making sense of our lives prove inadequate Yet in this time of alienation and spiritual longing we can glimpse signs of a renewed interest in ancient approaches to the art of living In this ambitious and timely book Elisabeth Lasch Quinn engages both general readers and scholars on the topic of well being She examines the reappearance of ancient philosophical thought in contemporary American culture probing whether new stirrings of Gnosticism Stoicism Epicureanism Cynicism and Platonism present a true alternative to our current therapeutic culture of self help and consumerism which elevates the self s needs and desires yet fails to deliver on its promises of happiness and healing Do the ancient philosophies represent a counter tradition to today s culture auguring a new cultural vibrancy or do they merely solidify a modern way of life that has little use for inwardness the cultivation of an inner life stemming from those older traditions Tracing the contours of this cultural resurgence and exploring a range of sources from scholarship to self help manuals films and other artifacts of popular culture this book sees the different schools as organically

interrelated and asks whether taken together they can point us in important new directions Ars Vitae sounds a clarion call to take back philosophy as part of our everyday lives It proposes a way to do so sifting through the ruins of long forgotten and recent history alike for any shards helpful in piecing together the coherence of a moral framework that allows us ways to move forward toward the life we want and need
